## 35kw 35kva 45kva Yuchai Diesel Generator Silent Soundproof Genset 220 Volt

Our Product Introduction

for more products please visit us on [enginedieselgenerator.com](http://enginedieselgenerator.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: YuChai
- Certification: ISO9001
- Model Number: FM
- Minimum Order Quantity: 1
- Price: Negotiable
- Payment Terms: T/T
- Supply Ability: 1000

### Product Specification

- Durability: High
- Emission Level: Low
- Fuel Efficiency: Excellent
- Maintenance: Low
- Noise Level: Low
- Power Output: High
- Product Name: Yuchai Power
- Reliability: High
- Safety: High
- Size: Compact
- Start-up Time: Quick
- Technology: Advanced
- Warranty: Long-term
- Weight: Light
- Highlight: Yuchai Diesel Generator 220 volt,

## Product Description

Yuchai 35 kw 35kva 45kva 45 kva power diesel generator price chongqing power 220 volt generator

### Product parameters

**We have power from 10kw-2000kw,  
any interesting please contact with us to quote the best price for you**

|                              |                     |  |                    |                            |

## Silent Technology

### HIGH-DENSITY WAVE SOUND-ABSORBING COTTON

1. When sound waves pass through cotton, they are reflected by countless fibers,superimposed on each other, and collide.The sound

wave energy is converted into heat energy, so that the intensity of thesound wave is weakened and the sound disappears.2. Mute

sponge Mute sponge, thickness 33 mm

## Customized Product

| BRUSHLESS ALTERNATOR   | ENGINE   |
|--|--|
| Maintenance-free, very stable operation and voltage, low noise, suitable for use with high precision equipment and electrical equipment. | Cooperate with Cummins, Perkins, Deutz Honda and many other famous brand engines to provide you with global warranty services. |

| CORROSION RESISTANT RADIATOR  | SOLID DAMPING FOOT  | AIR FILTER   |
|---|---|--|
| High quality and low noise radiators, with anti-rust paint to add, ensure that your machine will never old, mildew, corrosion resistance, safety. | solid damping foot is stamping forming by 3-5 mm high strength steel plate, with metal cover to protect rubber. | piston, piston ring, valve and valve seat with more than 99.5% of original filtration efficiency |

| Digital control panel   | ELECTRONIC COMPONENTS   | THICKENED BENDED UNDERFRAME   |
|---|---|---|
| use of three remote control unit control panel,integrated digital, intelligen't technology, compact structure, simple wiring, high reliability. | Cooperate with well-known electronic component manufacturers such as Delixi and Chint to provide customers with long-life,high-quality and very accurate machines | 5MM thickened bent chassis, double-layer painting, improve corrosion resistance. Prevent the unit chassis from being corroded |
