

Water Cooled Shanghai Diesel Generators

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 100KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Frequency: 50Hz/60Hz
- Fuel Type: Diesel
- Warranty: 1 Year
- Voltage: 380V/400V/415V/440V/480V
- Fuel Consumption: $\leq 210\text{g/kWh}$
- Starting Method: Electric/Air
- Control System: Smartgen/Deepsea/ComAp
- Service Life: $\geq 20,000$ Hours
- Highlight: **Water Cooled Shanghai Diesel Generators, 400V Water Cooled Diesel Generator**

Product Description

Water Cooled Trailer Mounted Generator for Safe and Efficient Power

Product Description:

Shanghai Diesel Generators is a perfect choice for reliable, cost-effective and efficient mobile power generation solutions. With a durable and powerful Cummins engine, it offers the highest quality power output with 1500rpm/1800rpm speed, and a service life of more than 20,000 hours. The generator is designed with a water-cooling system, and can be started by either electric or air. It is a perfect solution for mobile diesel generator, containerized genset and other containerized genset applications. It provides an affordable and reliable way to power your business operations.

Features:

Product Name: Shanghai Diesel Generators

Speed: 1500rpm/1800rpm

Cooling Method: Water Cooled

Power Output: 20-1000kW

Noise Level: ≤75dB(A)

Service Life: ≥20,000 Hours

Main Feature: Mobile Diesel Generator

Technical Parameters:

Parameter	Value
Fuel Type	Diesel
Speed	1500rpm/1800rpm
Starting Method	Electric/Air
Cooling Method	Water Cooled
Warranty	1 Year
Power Output	20-1000kW
Frequency	50Hz/60Hz
Noise Level	≤75dB(A)
Engine Brand	Cummins
Voltage	380V/400V/415V/440V/480V
Product Type	Mobile Diesel Generator, Mobile Genset Trailer, Silent Electric Generator

Applications:

Shanghai Diesel Generators are the perfect choice for mobile diesel generator, silent electric generator, trailer mounted generator, power generator set, and diesel generator set applications. With their low noise level of ≤75dB(A), the Shanghai Diesel Generators offer a wide power output range of 20-1000kW and a choice of 50Hz/60Hz frequency. Certified with ISO9001 and with a minimum order quantity of 1, these generators are powered by the reliable Cummins engine and have a speed of 1500rpm/1800rpm. With a competitive price of US\$9850-10150, the Shanghai Diesel Generators are delivered in a plywood package within 3-5 days. We have 1000 units available and accept payment by T/T.

Customization:

Shanghai Diesel Generators offer a wide range of mobile diesel generator, silent electric generator and containerized genset with Brand Name: Shanghai Diesel Generators, Model Number: 100KW, Place of Origin: CHINA, Certification: ISO9001, Minimum Order Quantity: 1, Price: US\$ 9850-10150, Packaging Details: Plywood Package, Delivery Time: 3-5days, Payment Terms: T/T, Supply Ability: 1000, Service Life: ≥20,000 Hours, Starting Method: Electric/Air, Noise Level: ≤75dB(A), Speed: 1500rpm/1800rpm and Warranty: 1 Year.

Support and Services:

Shanghai Diesel Generators Technical Support and Service

We provide technical support and service for Shanghai Diesel Generators to ensure the best performance and long-term reliability. Our team of experienced technicians can help you with troubleshooting, installation, maintenance, and repairs. We also offer a range of comprehensive service packages to provide you with peace of mind.

Our support includes:
Phone and online support
Onsite maintenance and repairs
Spare parts delivery
Preventative maintenance plans
Equipment training and education
We are committed to providing quality service and support to our customers and ensuring their satisfaction. We are available 24/7 to answer any questions or concerns you may have.

Packing and Shipping:

Packaging and Shipping
Shanghai Diesel Generators are carefully packaged in protective materials to ensure safe delivery. All generators are shipped via a reliable carrier and arrive in excellent condition.

Product Description

1. Main technical parameter for generator set

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

China Shanghai Group 75kw Silent Diesel Generator Set

1. Introduction to diesel engine

This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service life and good economic performance. The unit is equipped with a full set of no-maintenance battery startup system. The user can start the unit with the injection of oil and anti-freeze liquid and switch on the switch, so as to output power and improve the convenience of use.

1. Generator parameter

The nonlinear load voltage waveform is less distorted
Strong short circuit endurance
The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint
The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment
H grade insulation
The rotor silicon steel plate is mechanically tightened

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.
2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3.60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:
diesel engine
alternator
water cooled radiator
industrial silencer and flexible exhaust hose
maintenance-free lead-acid starting batteries and battery connect wires
output circuit breaker
digital control panel
steel base frame
