

100kw Weichai Generator Set Low Consumption

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: Weichai Diesel Generator
- Certification: ISO9001
- Model Number: FM100KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood packing
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Fuel Consumption: 208-248g/kw.h
- Warranty: 1 Year
- Cooling System: Water Cooling
- Net Weight: 2500-3000kg
- Engine Brand: Weichai
- Speed: 1500/1800rpm
- Frequency: 50/60HZ
- Fuel Tank Capacity: 400L
- Highlight: weichai generator set Low Consumption, 100kw weichai generator set

Product Description

Weichai Diesel Generator: Low Consumption & High Output Generator 100kw Price Weichai Four Cylinder for Factory Use

Product Description:

Weichai Diesel Generator is a reliable, high performing industrial diesel generator that has a 30kva output. It is designed for the most challenging industrial applications, and is highly efficient and reliable. It is a great choice for industrial diesel generator applications. The Weichai Diesel Generator is equipped with a water cooling system, electric start, and a fuel tank capacity of 400L. It has an engine brand of Weichai and a speed of 1500/1800rpm. It is designed for the most demanding industrial applications, providing the highest performance and reliability.

The Weichai Diesel Generator is an ideal choice for industrial diesel generator applications. It is built with the highest quality materials and components to ensure maximum performance and reliability. With its powerful engine, robust construction, and efficient operation, the Weichai Diesel Generator is an excellent choice for industrial applications.

Features:

Product Name: Weichai Diesel Generator

Fuel Consumption: 208-248g/kw.h

Continuous Running Time: 8-10h

Engine Brand: Weichai

Speed: 1500/1800rpm

Cooling System: Water Cooling

Diesel Power Generator Set

China Diesel Engine Generator

Electric Diesel Generators

Technical Parameters:

Property	Value
Model	Weichai Diesel Generator
Speed	1500/1800rpm
Rated Power	50-3000KW
Starting System	Electric Starting
Noise Level	≤105dB(A)
Cooling System	Water Cooling
Frequency	50/60HZ
Net Weight	2500-3000kg
Continuous Running Time	8-10h
Dimension	L*W*H=2.2*1.2*1.5m

Applications:

Weichai Diesel Generator is the perfect choice for reliable, durable, and economic power supply. This generator set, with its Brand Name Weichai, Model Number FM100KW, and Place of Origin China, is certified with ISO9001, and is available in minimum order quantity of 1. With a price range of US\$ 7580-7780 (FOB), it is packed in plywood packing, and is delivered within 3-5 days with payment via T/T. It has a supply ability of 1000, and its net weight varies between 2500-3000kg. With a speed of 1500/1800rpm, it comes with a 1 year warranty, and its engine brand is Weichai. It has a noise level of ≤105dB(A). This Generator Set Diesel Engine, Diesel Power Generator Set, China Diesel Engine Generator is a reliable and cost-effective power source.

Customization:

Weichai Diesel Generator

Brand Name: Weichai Diesel Generator

Model Number: FM100KW

Place of Origin: CHINA

Certification: ISO9001

Minimum Order Quantity: 1
Price: US\$ 7580-7780 (FOB)
Packaging Details: Plywood packing
Delivery Time: 3-5days
Payment Terms: T/T
Supply Ability: 1000
Model: Weichai Diesel Generator
Cooling System: Water Cooling
Rated Voltage: 220-690V
Frequency: 50/60HZ
Warranty: 1 Year

Weichai Diesel Generator is a 50kw diesel generator. Our 30kva diesel generator is made of high quality components and is designed for CONTAINER TYPE DIESEL GENERATOR. It has a rated voltage of 220-690V and a frequency of 50/60HZ. It is ISO9001 certified and comes with a one year warranty. The minimum order quantity is one and the price is US\$ 7580-7780 (FOB). We offer plywood packing and the delivery time is 3-5days. The payment terms are T/T and the supply ability is 1000.

Support and Services:

Weichai Diesel Generator Technical Support and Service

Weichai Diesel Generator provides 24/7 technical support and service to ensure that your generator is running in perfect condition and that your downtime is minimized.

Weichai Diesel Generator is equipped with advanced diagnostic and monitoring systems to ensure that your generator is running optimally. Our technicians are available to provide comprehensive support and service so that your generator is maintained to the highest standards.

Weichai Diesel Generator also provides a variety of preventative maintenance plans to ensure that your generator is running efficiently and reliably. We can provide scheduled maintenance checks and repairs to ensure that your generator is always running in perfect condition.

Our experienced technicians are always available to provide quick and effective solutions for any issue that may arise. Weichai Diesel Generator is committed to providing the highest quality of technical support and service to ensure that your generator is running optimally.

Packing and Shipping:

Weichai Diesel Generators are packaged and shipped with the following steps:

The generator is packed in a high-strength wooden case or steel frame.

The generator is secured with appropriate packing materials, such as foam, bubble wrap, and shock-proof material.

The generator is shipped through a reliable delivery service.

FAQ:

- Q1: What is the brand name of this generator?
- A1: The brand name of this generator is Weichai Diesel Generator.
- Q2: What is the model number of the generator?
- A2: The model number of this generator is FM100KW.
- Q3: Where is this generator manufactured?
- A3: This generator is manufactured in China.
- Q4: What is the minimum order quantity for this generator?
- A4: The minimum order quantity for this generator is 1.
- Q5: What is the price of this generator?
- A5: The price of this generator is US\$ 7580-7780 (FOB).

Weichai Series Diesel Generators Features

In the last 70 years, more than 3 million diesel engines have won the respect and recognition of customers. Weichai Engine overhaul period for an average of 30000 hours the spin to the pennants lightweight air filter, under the beautiful shape of the screw supercharger, to optimize the design of the piping products meet the road the second stage, the three phase motor load ability, meet the requirements of the load mutation mining low noise, small vibration using enhanced fuel injection pump, increase the oil pressure, high temperature, engine experience plateau alpine baptism - 10 ° no auxiliary measures can be successfully started. Supporting power 15KW-1200KW.
