

800kw Weichai Diesel Generator For Businesses Factories Easy To Install

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: Weichai Diesel Generator
- Certification: ISO9001
- Model Number: FM100KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood packing
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Rated Voltage: 220-690V
- Cooling System: Water Cooling
- Noise Level: $\leq 105\text{dB(A)}$
- Engine Brand: Weichai
- Dimension: L*W*H=2.2*1.2*1.5m
- Model: Weichai Diesel Generator
- Frequency: 50/60HZ
- Fuel Consumption: 208-248g/kw.h
- Highlight: **800kw Weichai Diesel Generator,**
Weichai Diesel Generator For Businesses,
800kw Diesel Generator For Businesses

Product Description

Efficient Weichai Diesel Generator with 8-10h Continuous Running Time 30-1500kw

Product Description:

Weichai Diesel Generator is a powerful electric diesel generator set for commercial and industrial applications. It is designed with advanced engineering technology and strong Weichai engine, providing reliable and efficient power to meet requirements of all kinds of power demanding applications. With a rated voltage of 220-690V and a fuel tank capacity of 400L, this diesel generator can deliver superior power output performance. Additionally, it is equipped with a water cooling system and electric starting system to ensure maximum engine durability and reliable operation.

The Weichai Diesel Generator is perfect for large-scale industrial and commercial applications in need of reliable power. With its 50kw diesel generator, it is able to provide a stable power source for a wide variety of applications and is ideal for areas with high power demand. This diesel generator set is designed to provide a powerful, reliable and cost-effective power solution for businesses, factories, and other commercial establishments.

Features:

Product Name: Weichai Diesel Generator

Model: Weichai Diesel Generator

Starting System: Electric Starting

Fuel Tank Capacity: 400L

Fuel Consumption: 208-248g/kw.h

Net Weight: 2500-3000kg

Electric Diesel Generators

Generator Set Diesel Engine

China Diesel Engine Generator

Technical Parameters:

Parameter	Value
Noise Level	≤105dB(A)
Warranty	1 Year
Speed	1500/1800rpm
Rated Voltage	220-690V
Cooling System	Water Cooling
Engine Brand	Weichai
Net Weight	2500-3000kg
Model	Weichai Diesel Generator
Continuous Running Time	8-10h
Rated Power	50-3000KW
Type	Container Type Diesel Generator
Country	China
Generator	Diesel Engine Generator
Power Generator Set	Cummins Diesel Generator

Applications:

Weichai Diesel Generators are the perfect solution for a variety of applications requiring reliable and efficient power. These 30kva Diesel Generator sets are manufactured using premium quality components and feature Weichai engines, water-cooled cooling systems, and ratings from 50-3000KW. Our generator sets have a rated voltage of 220-690V, and a noise level of ≤105dB(A). Each one is ISO9001 certified, has a minimum order quantity of 1, and comes with a plywood packing for safe shipping. We guarantee a fast delivery time of 3-5days, and accept T/T payments. Our supply ability is 1000 units, and our price range is US\$7580-7780 (FOB).

Customization:

Weichai Diesel Generator

Brand Name: Weichai Diesel Generator

Model Number: FM100KW
Place of Origin: CHINA
Certification: ISO9001
Minimum Order Quantity: 1
Price: US\$ 7580-7780 (FOB)
Packaging Details: Plywood packing
Delivery Time: 3-5days
Payment Terms: T/T
Supply Ability: 1000
Continuous Running Time: 8-10h
Frequency: 50/60HZ
Starting System: Electric Starting
Warranty: 1 Year
Net Weight: 2500-3000kg
Features: Industrial Diesel Generators, Diesel Power Generator Set, 30kva Diesel Generator

Support and Services:

Weichai Diesel Generator Technical Support and Service

Weichai Diesel Generator offers comprehensive technical support and service for all of our customers. Our dedicated and experienced team of engineers is available to assist you with any questions or issues related to the operation of your generator. We can provide on-site repairs, remote troubleshooting and maintenance, as well as general guidance and technical advice.

We are committed to providing our customers with the best possible service and support. We are available 24/7 and can provide quick response times for any emergency repairs. Our technicians are highly trained and experienced in the operation, maintenance, and repair of diesel generators and can provide solutions for any issue. We also provide regular maintenance and inspection services to ensure that your generator is running optimally.

Weichai Diesel Generator provides comprehensive technical support and service for all of our customers. We are dedicated to providing the best possible service and support for your generator. Contact us today to learn more about our services and how we can help you with your generator needs.

Packing and Shipping:

Weichai Diesel Generator's Packaging and Shipping:

The generator is securely packaged in a corrugated cardboard box.

The box is lined with foam or bubble wrap to provide extra protection.

The generator is then placed in a waterproof, sealed plastic bag.

The generator is shipped via a reputable courier service.

The courier service provides tracking information and delivery updates.

FAQ:

Q: What is the Brand Name?

A: The Brand Name is Weichai Diesel Generator.

Q: What is the Model Number?

A: The Model Number is FM100KW.

Q: Where is the Place of Origin?

A: The Place of Origin is CHINA.

Q: What is the Certification?

A: The Certification is ISO9001.

Q: What is the Minimum Order Quantity?

A: The Minimum Order Quantity is 1.

Q: What is the Price?

A: The Price is US\$ 7580-7780 (FOB).

Q: What is the Packaging Details?

A: The Packaging Details is Plywood packing.

Q: What is the Delivery Time?

A: The Delivery Time is 3-5days.

Q: What is the Payment Terms?

A: The Payment Terms is T/T.

Q: What is the Supply Ability?

A: The Supply Ability is 1000.

Weichai Series Diesel Generators Features

In the last 70 years, more than 3 million diesel engines have won the respect and recognition of customers. Weichai Engine overhaul period for an average of 30000 hours the spin to the pennants lightweight air filter, under the beautiful shape of the screw supercharger, to optimize the design of the piping products meet the road the second stage, the three phase motor load ability, meet the requirements of the load mutation mining low noise, small vibration using enhanced fuel injection pump, increase the oil pressure, high temperature, engine experience plateau alpine baptism - 10 ° no auxiliary measures can be successfully started. Supporting power 15KW-1200KW.
