

## Deepsea Control System Shanghai Diesel Generators 500kw Easy To Maintain

### Our Product Introduction

#### Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 100-1000KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

#### Product Specification

- Starting Method: Electric/Air
- Voltage: 380V/400V/415V/440V/480V
- Fuel Type: Diesel
- Control System: Smartgen/Deepsea/ComAp
- Fuel Consumption:  $\leq 210\text{g/kWh}$
- Engine Brand: Cummins
- Service Life:  $\geq 20,000$  Hours
- Cooling Method: Water Cooled
- Highlight: Shanghai Diesel Generators 500kw,  
Deepsea Control Shanghai Diesel Generators,  
Deepsea Control 500kw Diesel Generator

## Product Description

### Efficient Containerized Genset Diesel Fuel Deepsea Control System

#### Product Description:

Shanghai Diesel Generators is the source for silent electric generators. Our generators are powered by Cummins engines and feature a control system that includes Smartgen, Deepsea, and ComAp. We also offer mobile genset trailer rentals for those who require a temporary power source. Our generators are water-cooled, and they operate at noise levels of less than 75dB(A), ensuring a quiet and peaceful environment. All generators come with a 1-year warranty for maximum peace of mind. Whether you need a stationary or portable generator, Shanghai Diesel Generators has the perfect solution for you.

#### Features:

Product Name: Shanghai Diesel Generators

Fuel Type: Diesel

Control System: Smartgen/Deepsea/ComAp

Voltage: 380V/400V/415V/440V/480V

Service Life: ≥20,000 Hours

Cooling Method: Water Cooled

Keywords: containerized genset, trailer mounted generator, containerized genset

#### Technical Parameters:

Parameter	Value
Fuel Consumption	≤210g/kWh
Speed	1500rpm/1800rpm
Service Life	≥20,000 Hours
Noise Level	≤75dB(A)
Fuel Type	Diesel
Cooling Method	Water Cooled
Power Output	20-1000kW
Engine Brand	Cummins
Voltage	380V/400V/415V/440V/480V
Frequency	50Hz/60Hz
Highlight	Silent Electric Generator, Mobile Genset Trailer, Mobile Genset Trailer

#### Applications:

Shanghai Diesel Generators – An Ideal Choice for Your Power Needs

Shanghai Diesel Generators are the perfect choice for any power needs. The 100KW model is ISO9001 certified, making it a reliable choice that you can trust. With a minimum order quantity of just one, and competitive prices ranging from US\$ 9850-10150, the Shanghai Diesel Generator is a great value for your money.

The generator is shipped in a sturdy plywood package, and delivery is fast and efficient, with orders usually arriving within 3-5 days.

Payment is accepted via T/T, and the generator is available with a supply capacity of 1000. The generator is designed to run at either a 50Hz or 60Hz frequency, and with a water cooling system, the fuel consumption rate is ≤210g/kWh.

The Shanghai Diesel Generator is equipped with voltage options of 380V/400V/415V/440V/480V, making it suitable for a wide range of applications. The generator is perfect for mobile genset trailer, containerized genset, and silent electric generator needs, making it a versatile and reliable choice for any situation.

#### Customization:

Shanghai Diesel Generators Custom Service

Brand Name: Shanghai Diesel Generators

Model Number: 100KW

Place of Origin: CHINA

Certification: ISO9001

Minimum Order Quantity: 1

Price: US\$ 9850-10150

Packaging Details: Plywood Package

Delivery Time: 3-5days  
Payment Terms: T/T  
Supply Ability: 1000  
Speed: 1500rpm/1800rpm  
Engine Brand: Cummins  
Control System: Smartgen/Deepsea/ComAp  
Warranty: 1 Year  
Fuel Consumption: ≤210g/kWh  
Features: Silent Electric Generator, Mobile Genset Trailer, Containerized Genset, Diesel Generator

Support and Services:

Shanghai Diesel Generators Technical Support and Services

Shanghai Diesel Generators provides quality technical support and services for our customers. Our team of experienced professionals is dedicated to providing the highest level of customer satisfaction. We are committed to providing quality service and products to meet the needs of our customers.

We offer a wide range of technical support and services, ranging from installation to maintenance and repair. Our experienced technicians can provide timely advice and assistance to ensure that your product is running at its optimum performance. We also offer training and technical support to ensure that our customers are knowledgeable and comfortable with their products.

We pride ourselves on providing exceptional customer service. Our team is available to answer any questions and provide technical advice on all aspects of our generators. We are committed to providing a fast and reliable service, and our team is always on hand to help.

For more information about our technical support and services, please contact us at any time. We look forward to hearing from you!

Packing and Shipping:

Packaging and Shipping for Shanghai Diesel Generators

We package and ship Shanghai Diesel Generators to ensure the safety and reliability of the product. Our packaging and shipping process follows these steps:

We inspect the generator for any signs of damage or malfunction.

We use only top-quality packaging materials to ensure the generator is well-protected during shipping.

We package the generator in a secure container and mark it with details such as the weight, address, and type of product.

We label the package with instructions for safe handling during transit.

We arrange for the package to be shipped to the destination on time.

We take great care to ensure that your Shanghai Diesel Generator arrives in perfect condition.

Product Description

1. Main technical parameter for generator set

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

China Shanghai Group 75kw Silent Diesel Generator Set

1. Introduction to diesel engine

This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service

**life and good economic performance. The unit is equipped with a full set of no-maintenance battery startup system. The user can start the unit with the injection of oil and anti-freeze liquid and switch on the switch, so as to output power and improve the convenience of use.**

#### 1. Generator parameter

The nonlinear load voltage waveform is less distorted

Strong short circuit endurance

The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint

The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment

H grade insulation

The rotor silicon steel plate is mechanically tightened

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.
2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3. 60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:

diesel engine

alternator

water cooled radiator

industrial silencer and flexible exhaust hose

maintenance-free lead-acid starting batteries and battery connect wires

output circuit breaker

digital control panel

steel base frame
