

## Versatile Shanghai Generators Mobile 600KW Diesel Generator Multiple Applications

Our Product Introduction

more products please visit us on [enginedieselgenerator.com](http://enginedieselgenerator.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 600KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

### Product Specification

- Cooling Method: Water Cooled
- Fuel Consumption:  $\leq 210\text{g/kWh}$
- Starting Method: Electric/Air
- Voltage: 380V/400V/415V/440V/480V
- Noise Level:  $\leq 75\text{dB(A)}$
- Power Output: 20-1000kW
- Service Life:  $\geq 20,000$  Hours
- Speed: 1500rpm/1800rpm
- Highlight: **Multiple Applications Shanghai Generators, Versatile Shanghai Generators, Versatile 600KW Diesel Generator**

## Product Description

Versatile Mobile Diesel Generator for Multiple Applications shanghai generator

### Product Description:

Shanghai Diesel Generators are the ideal choice for mobile genset trailer, mobile diesel generator, and containerized genset applications. With a frequency of 50Hz/60Hz, fuel consumption of  $\leq 210\text{g/kWh}$ , water cooled cooling method, voltage of 380V/400V/415V/440V/480V, and noise level of  $\leq 75\text{dB(A)}$ , these generators provide reliable and efficient power for any situation. These diesel generators are designed with the latest technology and the highest quality components, making them the perfect choice for any application. Whether you need a mobile genset trailer, a mobile diesel generator, or a containerized genset, Shanghai Diesel Generators are the ideal solution.

### Features:

Product Name: Shanghai Diesel Generators

Service Life:  $\geq 20,000$  Hours

Fuel Type: Diesel

Power Output: 20-1000kW

Speed: 1500rpm/1800rpm

Warranty: 1 Year

Features: trailer mounted generator, silent electric generator, silent diesel generator

### Technical Parameters:

Keywords	Parameters
Speed	1500rpm/1800rpm
Voltage	380V/400V/415V/440V/480V
Noise Level	$\leq 75\text{dB(A)}$
Fuel Consumption	$\leq 210\text{g/kWh}$
Frequency	50Hz/60Hz
Warranty	1 Year
Power Output	20-1000kW
Fuel Type	Diesel
Cooling Method	Water Cooled
Control System	Smartgen/Deepsea/ComAp
Keywords	silent electric generator, trailer mounted generator, containerized genset

### Applications:

Shanghai Diesel Generators – 100KW

These Shanghai Diesel Generators are the ideal solution for a variety of silent electric generator applications. With a brand name of Shanghai Diesel Generators, Model Number of 100KW, Place of Origin of CHINA, and Certification of ISO9001, these generators are guaranteed to be of the highest quality. The Minimum Order Quantity is 1, and the Price ranges from US\$ 9850-10150. The Packaging Details for these generators is Plywood Package, and they have a Delivery Time of 3-5days. The Payment Terms are T/T, and the Supply Ability is 1000. These generators come with Speed of 1500rpm/1800rpm, Cooling Method of Water Cooled, Warranty of 1 Year, Engine Brand of Cummins, and Frequency of 50Hz/60Hz.

These Shanghai Diesel Generators are perfect for trailer mounted generator and mobile genset trailer applications, as they are silent and will provide reliable and consistent power. They are suitable for both residential and industrial applications, such as providing power for construction sites, emergency backup power, and recreational activities. These generators are also perfect for agricultural applications, such as powering irrigation systems and supplying electricity to farms.

Shanghai Diesel Generators are a reliable, cost-effective, and user-friendly solution for a variety of silent electric generator applications. With their easy installation and maintenance, they are the perfect choice for both residential and commercial applications.

### Customization:

Shanghai Diesel Generators

Brand Name: Shanghai Diesel Generators

Model Number: 100KW

Place of Origin: CHINA

Certification: ISO9001

Minimum Order Quantity: 1

Price: US\$ 9850-10150  
Packaging Details: Plywood Package  
Delivery Time: 3-5days  
Payment Terms: T/T  
Supply Ability: 1000  
Speed: 1500rpm/1800rpm  
Frequency: 50Hz/60Hz  
Starting Method: Electric/Air  
Noise Level: ≤75dB(A)  
Cooling Method: Water Cooled  
Shanghai Diesel Generators is a containerized genset that is also silent electric generator and trailer mounted generator. It is certified with ISO9001 with the minimum order quantity of 1 and a price range from US\$ 9850-10150. The speed is 1500rpm/1800rpm with a frequency of 50Hz/60Hz and the starting method is Electric/Air. The Noise Level is ≤75dB(A) and it is cooled with Water Cooled. It will be delivered within 3-5days with Plywood Package and payment terms of T/T.

Support and Services:

Shanghai Diesel Generators Technical Support and Service

At Shanghai Diesel Generators, we are committed to providing you with the best possible service. We offer a wide range of technical support and services to ensure that your generator is running optimally.

Technical Support

We offer a full range of technical support services including:

- Troubleshooting and diagnostics
- Engine and generator repair
- Systems optimization
- Installation and commissioning
- On-site maintenance
- Spare parts replacement
- Service

We offer a number of services to keep your generator running at its best:

- Scheduled maintenance and inspections
- Emergency service and repairs
- Fuel and oil delivery
- Filter and component replacements
- Noise and vibration monitoring and analysis

Packing and Shipping:

Packaging and Shipping for Shanghai Diesel Generators

Shanghai Diesel Generators are securely packaged for shipping and use. They are shipped in boxes that are designed to fit the generators and are built to last. The boxes are specifically sized to fit the generator and have built-in padding to protect the generator from damage during transit.

The generator is securely strapped in place inside the box. The box is then secured with tape and labeled for easy identification. The generator is also inspected before being shipped to ensure that it is in perfect working order.

The generator is then shipped using a reliable shipping service. The shipping service will provide tracking information and delivery confirmation to ensure the generator arrives safely and on time.

Product Description

1. Main technical parameter for generator set

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

## 1. Introduction to diesel engine

This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service life and good economic performance. The unit is equipped with a full set of no-maintenance battery startup system. The user can start the unit with the injection of oil and anti-freeze liquid and switch on the switch, so as to output power and improve the convenience of use.

## 1. Generator parameter

The nonlinear load voltage waveform is less distorted

### Strong short circuit endurance

The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint

The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment

H grade insulation

The rotor silicon steel plate is mechanically tightened

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.

2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3.60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:

diesel engine

alternator

water cooled radiator

industrial silencer and flexible exhaust hose

maintenance-free lead-acid starting batteries and battery connect wires

output circuit breaker

digital control panel

steel base frame
