

1500rpm Shanghai Diesel Generators

Our Product Introduction

more products please visit us on enginedieselgenerator.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 100KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Cooling Method: Water Cooled
- Fuel Type: Diesel
- Frequency: 50Hz/60Hz
- Control System: Smartgen/Deepsea/ComAp
- Fuel Consumption: $\leq 210\text{g/kWh}$
- Power Output: 20-1000kW
- Service Life: $\geq 20,000$ Hours
- Voltage: 380V/400V/415V/440V/480V
- Highlight: **1500rpm Shanghai Diesel Generators,**
1500rpm diesel engine Generators

Product Description

1500rpm Shanghai Diesel Generators 1 Year Service Life 20 Years Speed

Product Description:

Shanghai Diesel Generators are high-performance, reliable electric generators that are powered by diesel fuel. They can be a silent electric generator or a mobile diesel generator, depending on your needs. Our silent electric generator runs at a speed of 1500rpm or 1800rpm, and features a Cummins engine for maximum efficiency. The cooling method is water cooled, and our diesel generators are available in both 50Hz and 60Hz frequencies. As a reliable electric generator supplier, Shanghai Diesel Generators are the perfect choice for your power requirements.

Features:

Product Name: Shanghai Diesel Generators
Engine Brand: Cummins
Warranty: 1 Year
Voltage: 380V/400V/415V/440V/480V
Service Life: ≥20,000 Hours
Cooling Method: Water Cooled
Trailer Mounted Generator
Containerized Genset
Soundproof Generator

Technical Parameters:

Parameter	Details
Power Output	20-1000kW
Engine Brand	Cummins
Fuel Type	Diesel
Speed	1500rpm/1800rpm
Service Life	≥20,000 Hours
Voltage	380V/400V/415V/440V/480V
Cooling Method	Water Cooled
Warranty	1 Year
Starting Method	Electric/Air
Noise Level	≤75dB(A)
Mobile Genset Trailer	Yes
Containerized Genset	Yes
Silent Electric Generator	Yes

Applications:

Shanghai Diesel Generators are perfect for a wide range of applications, from powering a home or business to providing backup power in case of an emergency. These silent electric generators offer reliable performance, low noise levels, and a fuel-efficient design. With a Model Number of 100KW, this generator is certified by ISO9001 and has a Minimum Order Quantity of 1. It is available at a competitive price of US\$ 9850-10150, with Plywood Package. The Delivery Time is 3-5 days and the Payment Terms are T/T. The generator has a Supply Ability of 1000 and Noise Level of ≤75dB(A). The Fuel Consumption is ≤210g/kWh and the Control System is Smartgen/Deepsea/ComAp. The Power Output is 20-1000kW and the Starting Method is Electric/Air. All these features make Shanghai Diesel Generators the perfect choice for silent diesel generator and power generator applications.

Customization:

Shanghai Diesel Generators - 100KW

Brand Name: Shanghai Diesel Generators

Service Life: ≥20,000 Hours
Speed: 1500rpm/1800rpm
Noise Level: ≤75dB(A)
Power Output: 20-1000kW
Keywords: mobile diesel generator, containerized genset, containerized genset, generator set, generator

Support and Services:

Shanghai Diesel Generators Technical Support and Service

Shanghai Diesel Generators offers comprehensive technical support and service for its products. Our service team is available to provide customers with comprehensive technical support, including:

- Provide professional guidance and technical support for users to install, debug, operate and maintain the product
- Provide telephone support for product related issues
- Provide on-site service for product related issues
- Provide spare parts and accessories for products
- Provide after-sales training for product related issues

We strive to provide customers with the best service experience and are dedicated to providing quality support and service.

Packing and Shipping:

Packaging and Shipping for Shanghai Diesel Generators

At Shanghai Diesel Generators, we take pride in packaging and shipping our products to ensure they arrive safely and securely. We use high quality, durable packing materials to protect our products while in transit. All of our products are carefully inspected before being shipped to our customers.

Our standard packaging includes cardboard boxes, bubble wrap, and polystyrene foam. We also offer custom packaging for larger orders. We take special precautions to ensure that our products arrive in perfect condition, including using specialized packaging for fragile items. We ship all of our orders via a reliable and cost-effective courier service. We also offer express shipping for customers who require their order to be delivered as soon as possible. We have a dedicated team of professionals who work hard to ensure that all orders are dispatched in a timely manner.

Product Description

1. Main technical parameter for generator set

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

China Shanghai Group 75kw Silent Diesel Generator Set

1. Introduction to diesel engine

This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service life and good economic performance. The unit is equipped with a full set of no-maintenance battery

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.
2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3.60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:

diesel engine

alternator

water cooled radiator

industrial silencer and flexible exhaust hose

maintenance-free lead-acid starting batteries and battery connect wires

output circuit breaker

digital control panel

steel base frame
