## Product Description

### FM Trademark Diesel Generator Set with Fixed Installation Method at Competitive

#### Product Description:

Yuchai Diesel Generator is a reliable and durable electrical generator trusted by customers all over the world. This generator is a silent generator designed for efficient operation and a long lifetime of use. It is manufactured with the highest quality standards and is equipped with FM trademark and HS Code 8502110000. It also features adjustable speed and electric start, and can be customized to meet specific needs. This generator is perfect for commercial and residential applications, providing reliable electricity for all your needs. Yuchai Diesel Generator is the perfect choice for a reliable and silent electrical generator.

#### 1. Generator parameter

The nonlinear load voltage waveform is less distorted

Strong short circuit endurance

The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint

The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment

H grade insulation

The rotor silicon steel plate is mechanically tightened

Advanced grease seal long life bearing

remarks:According to the user's demand, the generator can choose wuxi Stanford, Shanghai marathon, jiangsu pilot and other famous brands.
