

Reliable Power Shanghai Diesel Generators 1500rpm/1800rpm Long Service Life

Our Product Introduction

more products please visit us on enginedieselgenerator.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 100KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Service Life: $\geq 20,000$ Hours
- Noise Level: $\leq 75\text{dB(A)}$
- Cooling Method: Water Cooled
- Voltage: 380V/400V/415V/440V/480V
- Speed: 1500rpm/1800rpm
- Engine Brand: Cummins
- Fuel Type: Diesel
- Starting Method: Electric/Air
- Highlight: **Shanghai Diesel Generators 1500rpm,
Reliable Shanghai Diesel Generators,
Reliable 1800 rpm diesel generator**

Product Description

Industrial Trailer Mounted Generator Long Service Life Reliable Power

Product Description:

Shanghai Diesel Generators are mobile diesel generators, trailer mounted generators, and silent electric generators that offer superior performance with a service life of $\geq 20,000$ hours. These generators have various power outputs ranging from 20 to 1000 kW, and two speed options of 1500rpm/1800rpm. Featuring the fuel type of diesel, and the starting method of either electric or air, these generators are an ideal choice for a wide range of industrial applications.

Features:

Product Name: Shanghai Diesel Generators

Fuel Consumption: $\leq 210\text{g/kWh}$

Speed: 1500rpm/1800rpm

Service Life: $\geq 20,000$ Hours

Voltage: 380V/400V/415V/440V/480V

Frequency: 50Hz/60Hz

Mobile Diesel Generator

Trailer Mounted Generator

Technical Parameters:

Property	Value
Warranty	1 Year
Speed	1500rpm/1800rpm
Noise Level	$\leq 75\text{dB(A)}$
Power Output	20-1000kW
Voltage	380V/400V/415V/440V/480V
Fuel Consumption	$\leq 210\text{g/kWh}$
Frequency	50Hz/60Hz
Engine Brand	Cummins
Fuel Type	Diesel
Starting Method	Electric/Air
Mobile Genset Trailer	Yes
Containerized Genset	Yes

Applications:

Shanghai Diesel Generators

Shanghai Diesel Generators are a reliable mobile diesel generator solution for a range of uses. They are perfect for a variety of applications, including emergency power for hospitals, construction sites, and industrial facilities. With their advanced engine technology, they provide power with minimal fuel consumption and noise levels that meet international standards.

The Shanghai Diesel Generator Model 100KW is designed for maximum reliability and efficiency. It is certified ISO9001 and has a minimum order quantity of 1. The price range is from US\$9850-20150. The generator is packed in a plywood package for safe transportation and delivery within 3-5 days. Payment Terms are T/T and the Supply Ability is 1000. With a Service Life of $\geq 20,000$ Hours, the Fuel Consumption is $\leq 210\text{g/kWh}$. The engine brand is Cummins and Frequency is 50Hz/60Hz and Noise Level is $\leq 75\text{dB(A)}$. Shanghai Diesel Generators provide reliable power for a range of applications, from hospitals to construction sites and industrial facilities. Their efficient engine technology provides maximum power with minimal fuel consumption and noise levels that meet international standards.

Customization:

Shanghai Diesel Generators is a silent electric generator, mobile diesel generator and mobile genset trailer with Brand Name: Shanghai Diesel Generators, Model Number: 100KW, Place of Origin: CHINA, Certification: ISO9001, Minimum Order Quantity: 1, Price: US\$ 9850-20150, Packaging Details: Plywood Package, Delivery Time: 3-5days, Payment Terms: T/T, Supply Ability: 1000, Frequency: 50Hz/60Hz, Control System: Smartgen/Deepsea/ComAp, Warranty: 1 Year, Fuel Type: Diesel, Service Life: $\geq 20,000$ Hours.

Support and Services:

Shanghai Diesel Generators Technical Support and Service

Shanghai Diesel Generators is dedicated to providing our customers with the highest level of technical support and service. Our goal is to ensure that you get the most out of your generator purchase. We offer a wide range of services, from technical advice and installation to

maintenance and repair. Our experienced team of technicians will work with you to ensure that your generator meets the highest standards of performance and reliability.
We offer a variety of services, including:

[Installation and setup](#)

[Troubleshooting and repairs](#)

[Regular maintenance and inspections](#)

[Customized services to meet your specific needs](#)

[Emergency services for urgent needs](#)

We understand that every generator purchase is unique, and our team of technicians is dedicated to providing you with the best possible service. We will work with you to ensure that your generator meets your exact needs and performs to the highest standards. Our commitment to customer satisfaction is our top priority.

Packing and Shipping:

Packaging and Shipping

Shanghai Diesel Generators are carefully packaged for shipment in a secure container. All parts are individually packaged to ensure safe and timely delivery. Packaging materials are included with the shipment.

The package is clearly labeled with the product name, destination, and handling instructions. Any special instructions are also included in the package.

Shipping is available worldwide, with a variety of options. We can provide door-to-door delivery, express, or standard shipping services. We will also work with customers to ensure that their needs are met.

FAQ:

Q: What is the Brand Name of the Shanghai Diesel Generators?

A: The Brand Name of the Shanghai Diesel Generators is Shanghai Diesel Generators.

Q: What is the Model Number of the Shanghai Diesel Generators?

A: The Model Number of the Shanghai Diesel Generators is 100KW.

Q: Where is the Shanghai Diesel Generators manufactured?

A: The Shanghai Diesel Generators is manufactured in CHINA.

Q: What is the Certification of the Shanghai Diesel Generators?

A: The Certification of the Shanghai Diesel Generators is ISO9001.

Q: What is the Minimum Order Quantity for the Shanghai Diesel Generators?

A: The Minimum Order Quantity for the Shanghai Diesel Generators is 1.

Product Description

1. Main technical parameter for generator set

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

China Shanghai Group 75kw Silent Diesel Generator Set

1. Introduction to diesel engine

This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service life and good economic performance. The unit is equipped with a full set of no-maintenance battery startup system. The user can start the unit with the injection of oil and anti-freeze liquid and switch on the switch, so as to output power and improve the convenience of use.

1. Generator parameter

The nonlinear load voltage waveform is less distorted

Strong short circuit endurance

The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint

The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment

H grade insulation

The rotor silicon steel plate is mechanically tightened

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.
2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3. 60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:

diesel engine

alternator

water cooled radiator

industrial silencer and flexible exhaust hose

maintenance-free lead-acid starting batteries and battery connect wires

output circuit breaker

digital control panel

steel base frame
