

Air Starting 100KW Open Type Diesel Generator With ComAp Control System

Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 100KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Voltage: 380V/400V/415V/440V/480V
- Fuel Consumption: $\leq 210\text{g/kWh}$
- Control System: Smartgen/Deepsea/ComAp
- Warranty: 1 Year
- Power Output: 20-1000kW
- Speed: 1500rpm/1800rpm
- Service Life: $\geq 20,000$ Hours
- Frequency: 50Hz/60Hz
- Highlight:
 - 100KW Open Type Diesel Generator ,
 - Air Starting Open Type Diesel Generator ,
 - ComAp Control open frame diesel generator

Product Description

Trusted Shanghai Diesel Generators with Air Starting Method and ComAp Control System

Product Description:

Shanghai Diesel Generators offer mobile genset trailer, trailer mounted generator and containerized genset solutions that are powered by reliable Cummins engine. These generators provide power output between 20-1000kW with speed of 1500rpm/1800rpm and noise level of $\leq 75\text{dB(A)}$. The control system of these generators are Smartgen/Deepsea/ComAp for reliable and accurate operations. Shanghai Diesel Generators are ideal for applications in many industries with their impressive features and reliable performance.

Features:

Product Name: Shanghai Diesel Generators

Voltage: 380V/400V/415V/440V/480V

Power Output: 20-1000kW

Service Life: $\geq 20,000$ Hours

Warranty: 1 Year

Starting Method: Electric/Air

Features: Silent Electric Generator, Mobile Diesel Generator

Technical Parameters:

Property	Value
Engine Brand	Cummins
Power Output	20-1000kW
Speed	1500rpm/1800rpm
Service Life	$\geq 20,000$ Hours
Voltage	380V/400V/415V/440V/480V
Control System	Smartgen/Deepsea/ComAp
Fuel Type	Diesel
Fuel Consumption	$\leq 210\text{g/kWh}$
Frequency	50Hz/60Hz
Cooling Method	Water Cooled
Special Features	Silent Electric Generator, Mobile Genset Trailer, Trailer Mounted Generator

Applications:

Shanghai Diesel Generators are the ideal choice for businesses and homeowners who need a reliable and powerful mobile diesel generator. With a 100KW engine, these generators are capable of providing a reliable and silent electric power source in a variety of environments and conditions. The product is manufactured with the highest standards and is certified by ISO9001. Each generator has a minimum order quantity of 1 and the price ranges from US\$ 9850-20150. The generators are securely packaged in plywood and are delivered within 3-5days. Payment can be made via T/T. The supply ability is 1000 units and the product features a speed of 1500rpm or 1800rpm. The engine brand can be Cummins with a frequency of 50Hz or 60Hz. Moreover, the generator also features a water-cooled system, resulting in a noise level of $\leq 75\text{dB(A)}$.

Customization:

Shanghai Diesel Generators are silent electric generators with a model number of 100KW. The generators are made in China with certification from ISO9001 and come with a minimum order quantity of 1. The price of these generators ranges from US\$9850 to US\$20150, and are packaged in a plywood package. We also guarantee a delivery time of 3-5 days and accept payment via T/T. We have a supply ability of 1000, with a voltage of 380V/400V/415V/440V/480V. These Shanghai Diesel Generators have a fuel type of diesel, cooling method of water cooled, and a warranty of 1 year. The frequency is 50Hz/60Hz. These Shanghai Diesel Generators are perfect for mobile diesel generator or silent electric generator applications. With a wide range of voltage levels, fuel types, and cooling methods, these generators can easily meet your needs. And with a one year warranty, you can trust that you're getting a quality product.

Support and Services:

Shanghai Diesel Generators Technical Support and Service

Shanghai Diesel Generators provides technical support and service to customers who purchase our products. Our team of experienced technicians are on hand 24/7 to answer any questions you may have, provide troubleshooting assistance, and address any issues you may be having with your generator purchase.

We also provide regular maintenance service and can help with scheduled maintenance and repairs. Our technicians are certified and trained in the latest diesel generator technologies and can provide the most up-to-date advice and support to ensure your generator is

running at peak performance.
If you have any questions or need assistance with your Shanghai Diesel Generator, please contact our customer service team at any time for assistance.

Packing and Shipping:

Packaging and Shipping
Shanghai Diesel Generators are packaged in wooden crates and covered with a waterproof tarp.
All products are shipped via sea, air or land based on customer requirements.
The product is inspected and tested prior to shipping.
All crates are labeled with the product name and serial number.

FAQ:

Q1: What is the Brand Name of the Shanghai Diesel Generators?
A1: The Brand Name of the Shanghai Diesel Generators is Shanghai Diesel Generators.
Q2: What is the Model Number of the Shanghai Diesel Generators?
A2: The Model Number of the Shanghai Diesel Generators is 100KW.
Q3: Where is the Place of Origin of the Shanghai Diesel Generators?
A3: The Place of Origin of the Shanghai Diesel Generators is CHINA.
Q4: What is the Certification of the Shanghai Diesel Generators?
A4: The Certification of the Shanghai Diesel Generators is ISO9001.
Q5: What is the Minimum Order Quantity of the Shanghai Diesel Generators?
A5: The Minimum Order Quantity of the Shanghai Diesel Generators is 1.

Product Description

1. Main technical parameter for generator set

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

China Shanghai Group 75kw Silent Diesel Generator Set

1. Introduction to diesel engine

This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service life and good economic performance. The unit is equipped with a full set of no-maintenance battery startup system. The user can start the unit with the injection of oil and anti-freeze liquid and switch on the switch, so as to output power and improve the convenience of use.

1. Generator parameter

The nonlinear load voltage waveform is less distorted
Strong short circuit endurance
The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint
The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment
H grade insulation
The rotor silicon steel plate is mechanically tightened

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.

2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3. 60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:
diesel engine
alternator
water cooled radiator
industrial silencer and flexible exhaust hose
maintenance-free lead-acid starting batteries and battery connect wires
output circuit breaker
digital control panel
steel base frame
