

## 300kw Shanghai Powered Industrial Diesel Generator With ComAp Control System

Our Product Introduction

more products please visit us on [enginedieselgenerator.com](http://enginedieselgenerator.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 100KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

### Product Specification

- Fuel Type: Diesel
- Control System: Smartgen/Deepsea/ComAp
- Service Life:  $\geq 20,000$  Hours
- Voltage: 380V/400V/415V/440V/480V
- Power Output: 20-1000kW
- Warranty: 1 Year
- Starting Method: Electric/Air
- Highlight: ComAp Control Industrial Diesel Generator, Shanghai Powered Industrial Diesel Generator, Shanghai Powered 300 kw industrial generator

## Product Description

shanghai group Engine Powered Shanghai Diesel Generators with ComAp Control System

### Product Description:

Shanghai Diesel Generators offer an array of power solutions and are ideal for residential, commercial and industrial applications. Our generators are manufactured with superior quality components and advanced technology, ensuring reliable power output and long service life. Our silent electric generators come in various sizes and frequencies, making them ideal for any application. They feature water cooled cooling systems, 50Hz/60Hz frequency, a service life of over 20,000 hours, fuel consumption of up to 210g/kWh, and voltage of 380V/400V/415V/440V/480V. We also offer mobile diesel generators and air-cooled diesel generators for a wide range of applications. Shanghai Diesel Generators are designed to provide silent, reliable, and efficient power solutions.

### Features:

Product Name: **Shanghai Diesel Generators**

Noise Level: **≤75dB(A)**

Service Life: **≥20,000 Hours**

Fuel Consumption: **≤210g/kWh**

Frequency: **50Hz/60Hz**

Voltage: **380V/400V/415V/440V/480V**

Types: **Mobile Diesel Generator, Containerized Genset, Silent Electric Generator**

### Technical Parameters:

Product Feature	Specification
Starting Method	Electric/Air
Fuel Consumption	≤210g/kWh
Frequency	50Hz/60Hz
Fuel Type	Diesel
Noise Level	≤75dB(A)
Service Life	≥20,000 Hours
Warranty	1 Year
Speed	1500rpm/1800rpm
Cooling Method	Water Cooled
Power Output	20-1000kW

### Applications:

Shanghai Diesel Generators are the perfect choice for large industrial and commercial operations that require a strong and reliable power source. The 100KW model is ISO9001 certified and comes with a minimum order quantity of one. The price range is US\$9850-20150 and it is shipped in plywood package within 3-5days of payment via T/T. The generator is capable of producing a power output of 20-1000kW and has a fuel consumption rate of ≤210g/kWh. The fuel type is diesel and the voltage can be 380V/400V/415V/440V/480V with a frequency of 50Hz/60Hz. It is perfect for mobile diesel generator applications and silent electric generator applications due to its strong power output.

### Customization:

#### Shanghai Diesel Generators

Brand Name: Shanghai Diesel Generators

Model Number: 100KW

Place of Origin: CHINA

Certification: ISO9001

Minimum Order Quantity: 1

Price: US\$ 9850-20150

Packaging Details: Plywood Package

Delivery Time: 3-5days

Payment Terms: T/T

Supply Ability: 1000

Our Shanghai Diesel Generators come with a variety of features, such as Smartgen/Deepsea/ComAp control systems, electric/air starting methods, ≤75dB(A) noise levels, 380V/400V/415V/440V/480V voltage, and diesel fuel type. We offer mobile genset trailer, containerized genset, silent genset, and open type genset options.

### Support and Services:

Shanghai Diesel Generators Technical Support and Service

Our Shanghai Diesel Generators team provides the highest level of technical support and service to ensure that our customers are completely satisfied with their products. We strive to provide the best customer service and technical support available in the industry. We offer a full range of technical support services, including:

[24/7 technical support and troubleshooting](#)

[On-site maintenance and repair services](#)

[Remote access diagnostics and repair services](#)

[Software and firmware updates](#)

[Guidance on product installation and configuration](#)

[Training and education on product use and maintenance](#)

Our team of experts is available to assist you with any questions or concerns you may have. We are committed to providing the highest level of customer support and service to ensure your satisfaction.

### Packing and Shipping:

Packaging and Shipping of Shanghai Diesel Generators

Shanghai diesel generators are packaged and shipped using a variety of methods depending on the size and weight of the generator. Smaller generators are typically packaged in either wooden crates or cardboard cartons, which are then secured to a pallet for shipping. Larger generators are typically crated in wood and secured to a pallet. All of the packaging is designed to protect the generator from damage during shipping.

The shipping method used for Shanghai diesel generators varies depending on the size and weight of the generator. Smaller generators can be shipped via air, truck, or rail. Larger generators are typically shipped via ocean freight. All shipping methods used are designed to ensure the generators arrive in a timely manner and in good condition.

### FAQ:

Shanghai Diesel Generators FAQ

**Q: What is the Brand Name of Shanghai Diesel Generators?**

A: The Brand Name is Shanghai Diesel Generators.

**Q: What is the Model Number of Shanghai Diesel Generators?**

A: The Model Number is 100KW.

**Q: Where is Shanghai Diesel Generators from?**

A: Shanghai Diesel Generators is from China.

**Q: What is the Certification of Shanghai Diesel Generators?**

A: Shanghai Diesel Generators is certified to ISO9001.

**Q: What is the Minimum Order Quantity for Shanghai Diesel Generators?**

A: The Minimum Order Quantity for Shanghai Diesel Generators is 1.

**Q: What is the Price of Shanghai Diesel Generators?**

A: Price of Shanghai Diesel Generators is US\$ 9850-20150.

**Q: What is the Packaging Details of Shanghai Diesel Generators?**

A: Packaging Details of Shanghai Diesel Generators is Plywood Package.

**Q: What is the Delivery Time for Shanghai Diesel Generators?**

A: Delivery Time for Shanghai Diesel Generators is 3-5days.

**Q: What are the Payment Terms for Shanghai Diesel Generators?**

A: Payment Terms for Shanghai Diesel Generators is T/T.

**Q: What is the Supply Ability for Shanghai Diesel Generators?**

A: Supply Ability for Shanghai Diesel Generators is 1000.

### Product Description

#### 1. Main technical parameter for generator set

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

China Shanghai Group 75kw Silent Diesel Generator Set

#### 1. Introduction to diesel engine

This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service life and good economic performance. The unit is equipped with a full set of no-maintenance battery startup system. The user can start the unit with the injection of oil and anti-freeze liquid and switch on the switch, so as to output power and improve the convenience of use.

#### 1. Generator parameter

The nonlinear load voltage waveform is less distorted

Strong short circuit endurance

The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint

The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment

H grade insulation

The rotor silicon steel plate is mechanically tightened

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.

2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3.60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:

diesel engine

alternator

water cooled radiator

industrial silencer and flexible exhaust hose

maintenance-free lead-acid starting batteries and battery connect wires

output circuit breaker

digital control panel

steel base frame
