Product Description

Electric Starting Weichai Diesel Generator L*W*H 2.2*1.2*1.5m

Product Description:

Weichai Diesel Generator Set

Weichai Diesel Generator Set is designed to provide reliable, efficient and cost-effective power for a wide range of applications. This diesel power generator set is a complete and integrated system that includes all the necessary components to deliver power generation safely and efficiently. It is designed with a high efficiency engine, high quality alternator, advanced control system, and other components that ensure reliable and efficient power generation.

Weichai Diesel Generator Set is a perfect solution for residential, commercial and industrial power needs. It is rated from 50 to 3000KW, with voltage range from 220 to 690V. The fuel consumption rate of this generator set is 208 to 248g/kw.h, and it features an impressive one-year warranty. Moreover, its dimension is 2.2*1.2*1.5m, making it great for space-limited applications.

This 30kva diesel generator set is an ideal power supply for homes, businesses, industrial sites and more. It is designed to be reliable, efficient and cost-effective. With Weichai Diesel Generator Set, you are getting the highest quality power supply that will ensure your operations run smoothly.
