

Industrial Grade Diesel Power Generator Set IP23 100kw Diesel Generator

Basic Information

- Place of Origin: CHINA
- Brand Name: Diesel Engine Generator
- Certification: ISO9001
- Model Number: 30-1000KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: PLYWOOD PACKING
- Delivery Time: 3-5DAYS
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Dimension: 3000*1200*1800mm
- Voltage: 400V/230V
- Alternator Model: Stamford
- Power Capacity: 100KW
- Controller: Smartgen/Deepsea
- Frequency: 50Hz/60Hz
- Fuel Type: Diesel
- Excitation System: Brushless
- Highlight: Diesel Power Generator Set IP23,
Industrial Grade 100kw Diesel Generator,
Industrial Grade Diesel Power Generator

Our Product Introduction

Product Description

Product Description:

Container Type Diesel Generator is a China diesel engine generator which is designed to provide reliable power with lower emissions and fuel consumption. It is designed with high-quality components and reliable engines to ensure a long-lasting and trouble-free operation. This generator is available in 50Hz as well as 60Hz frequency and is powered by diesel fuel. It is equipped with high-quality control panel, such as Smartgen and Deepsea, and comes with a brushless excitation system that ensures a smooth and reliable operation. It also features a water cooling system for efficient cooling and heat dissipation. With its advanced technology, this generator set provides you with reliable and efficient power supply at any time and any place. It is perfect for all types of businesses, such as industrial, commercial, residential, and agriculture. Our **Diesel Generator Sets** are the perfect choice for anyone who needs reliable and efficient power supply.

Features:

Product Name: Diesel Engine Generator

Cooling System: Water Cooled

Protection Grade: IP23

Weight: 3000KG

Power Capacity: 100KW

Speed: 1500rpm/1800rpm

Keywords: Generator Set Diesel Engine, China Diesel Generator, China Diesel Engine Generator

Applications:

Diesel Engine Generator – Brand Name: Diesel Engine Generator

The Diesel Engine Generator, with brand name Diesel Engine Generator, model number 30-1000KW, is a powerful and reliable power supply, certified with ISO 9001, with minimum order quantity of 1 and prices ranging from 3000 to 657000 USD. It is supplied with plywood packaging and delivery time of 3-5 days. The payment terms are T/T and supply ability of 1000. The voltage is 400V/230V and controller is Smartgen/Deepsea. Frequency is 50Hz/60Hz and protection grade is IP23. Fuel type is diesel.

The Diesel Engine Generator is ideal for container type diesel generator, generator set diesel engine and air cooled diesel generator.

This Diesel Engine Generator is a perfect choice for reliable power supply, whether it is for industrial or domestic use. It is also suitable for emergency power supply, due to its low maintenance and fast start up time.

The Diesel Engine Generator is equipped with quality diesel engine, designed for long life and low fuel costs. It also has a robust construction and is reliable in harsh environments.

For more information about the Diesel Engine Generator, please contact us for more details.

Customization:

Diesel Engine Generator

Brand Name: Diesel Engine Generator

Model Number: 30-1000KW

Place of Origin: CHINA

Certification: ISO9001

Minimum Order Quantity: 1

Price: 3000-657000USD

Packaging Details: PLYWOOD PACKING

Delivery Time: 3-5DAYS

Payment Terms: T/T

Supply Ability: 1000

Insulation Class: H

Frequency: 50Hz/60Hz

Controller: Smartgen/Deepsea

Dimension: 3000*1200*1800mm

Engine Model: Cummins

CONTAINER TYPE DIESEL GENERATOR, Generator Set Diesel Engine, China Diesel Engine Generator

Support and Services:

Diesel Engine Generator Technical Support and Service

We provide a comprehensive range of technical support and service for customers using our diesel engine generators.

On-site installation and commissioning of diesel engine generator systems

Regular maintenance service for diesel engine generator systems

Emergency technical support for diesel engine generator systems

Technical advice on diesel engine generator systems

Spare parts for diesel engine generator systems

Our team of experienced technicians are available to provide you with top-notch technical support and service for your diesel engine generator.

Packing and Shipping:

Packaging and Shipping of Diesel Engine Generator:
The diesel engine generator is packed in a cardboard box, with cushioning material on all sides of the generator. The box is closed with packing tape. The generator is then placed in a wooden pallet, secured by cardboard and stretch wrap. The pallet is then loaded onto a shipping truck and delivered to the customer.

FAQ:

Diesel Engine Generator. Q2: What is the model number of Diesel Engine Generator? A2: The model number of Diesel Engine Generator is **30-1000KW**. Q3: Where is Diesel Engine Generator made? A3: Diesel Engine Generator is made in **China**. Q4: Does Diesel Engine Generator have a certification? A4: Yes, Diesel Engine Generator has **ISO9001** certification. Q5: What is the minimum order quantity of Diesel Engine Generator? A5: The minimum order quantity of Diesel Engine Generator is **1**.

Weichai Series Diesel Generators Features

In the last 70 years, more than 3 million diesel engines have won the respect and recognition of customers. Weichai Engine overhaul period for an average of 30000 hours the spin to the pennants lightweight air filter, under the beautiful shape of the screw supercharger, to optimize the design of the piping products meet the road the second stage, the three phase motor load ability, meet the requirements of the load mutation mining low noise, small vibration using enhanced fuel injection pump, increase the oil pressure, high temperature, engine experience plateau alpine baptism - 10 ° no auxiliary measures can be successfully started. Supporting power 15KW-1200KW.
