

400V/230V Cummins Diesel Engine Generator Low Noise With Stamford Alternator

Our Product Introduction

more products please visit us on enginedieselgenerator.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Diesel Engine Generator
- Certification: ISO9001
- Model Number: 30-1000KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: PLYWOOD PACKING
- Delivery Time: 3-5DAYS
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Noise Level: $\leq 75\text{dB}$
- Alternator Model: Stamford
- Insulation Class: H
- Voltage: 400V/230V
- Engine Model: Cummins
- Dimension: 3000*1200*1800mm
- Frequency: 50Hz/60Hz
- Excitation System: Brushless
- Highlight: 230V cummins diesel engine generator, Stamford Alternator Diesel Engine Generator, 400V low noise diesel generator

Product Description

Product Description:

Diesel Power Generator Set is a reliable and efficient power solution for your power needs. Our generator set is powered by a high-performance diesel engine of Stamford Alternator Model, and designed to provide excellent power output with 1500rpm/1800rpm speed. It is equipped with advanced Smartgen/Deepsea controller and 400V/230V voltage. Besides, it also has brushless excitation system to ensure reliable performance. This Air Cooled Diesel Generator is produced in China and is widely used in industrial, commercial and residential applications.

Features:

Product Name: Diesel Engine Generator

Speed: 1500rpm/1800rpm

Noise Level: ≤75dB

Frequency: 50Hz/60Hz

Excitation System: Brushless

Cooling System: Water Cooled

Type: Diesel Generator Sets, CONTAINER TYPE DIESEL GENERATOR SET

Applications:

Diesel Engine Generator - Maximum Power and Optimum Efficiency

The Diesel Engine Generator is a reliable and durable power generator set that is designed and manufactured with a brand name of Diesel Engine Generator, model number of 30-1000KW, and is certified with ISO9001. It has a minimum order quantity of 1, and prices range from 3000-657000USD. It is packed using plywood packing and has a delivery time of 3-5 days. Payment terms are T/T, and the supply ability is 1000. The frequency is 50Hz/60Hz, the fuel type is diesel, the cooling system is water cooled, insulation class is H, and the dimension is 3000*1200*1800mm.

This Diesel Engine Generator is an ideal choice for any power generation need, offering maximum power and optimum efficiency. It is perfect for generator sets, diesel power generator sets, diesel generator parts, and diesel generator systems. The generator set is designed to be highly reliable and durable, with a long service life. It also has low noise and low vibration, making it suitable for a variety of applications, including residential, commercial, and industrial.

This Diesel Engine Generator is an ideal choice for any power generation need, offering maximum power and optimum efficiency. It is perfect for generator sets, diesel power generator sets, diesel generator parts, and diesel generator systems. The generator set is designed to be highly reliable and durable, with a long service life. It also has low noise and low vibration, making it suitable for a variety of applications, including residential, commercial, industrial, agricultural, automotive, marine, and more. It is easy to maintain and operate, and the fuel efficient design helps to reduce operating costs. This generator set is also environmentally friendly, with emissions that meet the most stringent regulations.

The Diesel Engine Generator is a reliable and durable power generator set that is designed and manufactured with superior quality and performance. It offers maximum power and optimal efficiency, making it an ideal choice for any power generation need. The generator set is designed to be highly reliable and durable, with a long service life. It also has low noise and low vibration, making it suitable for a variety of applications.

Customization:

Diesel Engine Generator

Brand Name: Diesel Engine Generator

Model Number: 30-1000KW

Place of Origin: CHINA

Certification: ISO9001

Minimum Order Quantity: 1

Price: 3000-657000USD

Packaging Details: PLYWOOD PACKING

Delivery Time: 3-5DAYS

Payment Terms: T/T

Supply Ability: 1000

Insulation Class: H

Alternator Model: Stamford

Cooling System: Water Cooled

Frequency: 50Hz/60Hz

Protection Grade: IP23

Our Diesel Engine Generator is the perfect choice for your power needs, with its Air Cooled Diesel Generator, Generator Set Diesel Engine and Air Cooled Diesel Generator. It is ISO 9001 certified and has a minimum order quantity of 1. It comes with a Plywood packing and a delivery time of 3-5 days. It has an insulation class of H and a protection grade of

Support and Services:

Diesel Engine Generator technical support and service includes:

- Database creation and maintenance
- Software installation and troubleshooting
- Parts replacement and repairs
- Regular maintenance and inspections
- Emergency repair services

Packing and Shipping:

Diesel Engine Generator Packaging and Shipping

The diesel engine generator will be securely packaged to protect it from damage during shipping. The packaging material used will be a polyethylene film bubble wrap and the box will be made of corrugated cardboard. The package will also include a set of instructions for proper operation and maintenance. The package will be sealed with a tamper-evident security seal and labeled with the product name, serial number, weight, and shipping address. The package will then be shipped via a reputable delivery service.

FAQ:

Q1: What is the Brand Name of Diesel Engine Generator?
A1: The Brand Name is Diesel Engine Generator.

Q2: What is the Model Number of Diesel Engine Generator?
A2: The Model Number is 30-1000KW.

Q3: Where is the Place of Origin of Diesel Engine Generator?
A3: The Place of Origin is China.

Q4: What is the Certification of Diesel Engine Generator?
A4: The Certification is ISO9001.

Q5: What is the Minimum Order Quantity of Diesel Engine Generator?
A5: The Minimum Order Quantity is 1.

Weichai Series Diesel Generators Features

In the last 70 years, more than 3 million diesel engines have won the respect and recognition of customers. Weichai Engine overhaul period for an average of 30000 hours the spin to the pennants lightweight air filter, under the beautiful shape of the screw supercharger, to optimize the design of the piping products meet the road the second stage, the three phase motor load ability, meet the requirements of the load mutation mining low noise, small vibration using enhanced fuel injection pump, increase the oil pressure, high temperature, engine experience plateau alpine baptism - 10 ° no auxiliary measures can be successfully started. Supporting power 15KW-120KW.
