

ISO9001 Cummins 100kw Diesel Generator 4 Cylinder Diesel Generator 50Hz 60Hz

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: Diesel Engine Generator
- Certification: ISO9001
- Model Number: 30-1000KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: PLYWOOD PACKING
- Delivery Time: 3-5DAYS
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Voltage: 400V/230V
- Engine Model: Cummins
- Cooling System: Water Cooled
- Dimension: 3000*1200*1800mm
- Protection Grade: IP23
- Fuel Type: Diesel
- Excitation System: Brushless
- Frequency 60Hz: 50Hz/60Hz
- Highlight: ISO9001 4 Cylinder Diesel Generator,
ISO9001 Cummins 100kw Diesel Generator,
Cummins 100kw Diesel Generator 50Hz

Product Description

Product Description:

Diesel Engine Generator

This reliable Diesel Engine Generator is designed and manufactured by a Chinese company. It is an ideal choice for high-end diesel power generation. The generator is equipped with an advanced brushless excitation system and Stamford alternator model, as well as class H insulation and IP23 protection grade. It also provides voltage options of 400V/230V to meet various needs.

This Diesel Power Generator Set is designed to deliver superior performance and is reliable, efficient and durable. It is suitable for a variety of applications such as emergency power, industrial power, standby power and other power needs. It is easy to operate and maintain, making it an ideal choice for your power generation needs.

Features:

Product Name: **Diesel Engine Generator**

Alternator Model: **Stamford**

Engine Model: **Cummins**

Noise Level: **≤75dB**

Weight: **3000KG**

Dimension: **3000*1200*1800mm**

Generator Set Diesel Engine, **Air Cooled Diesel Generator, China Diesel Generator**

Applications:

Diesel Engine Generator is a reliable and efficient power source for commercial and industrial applications, such as construction sites, manufacturing plants, hospitals, warehouses, mining and oil fields. The Diesel Engine Generator, model 30-1000KW, is manufactured in China and comes with ISO9001 certification, ensuring a quality product. The unit is available in 1 to 1000 units in a single order and the price ranges from \$3000 to \$657000 USD. Packaging is done in plywood boxes for secure transportation. Delivery time is 3-5 days and payment is accepted through T/T. The supply ability of this model is 1000 units and it has a speed of 1500rpm/1800rpm with a protection grade of IP23. The weight of the unit is 3000kg and it is powered by Cummins engine. The dimension of the unit is 3000*1200*1800mm. This Diesel Engine Generator Set is suitable for air-cooled diesel generators and is an ideal choice for diesel power generator sets.

Customization:

Diesel Engine Generator

Brand Name: Diesel Engine Generator

Model Number: 30-1000KW

Place of Origin: CHINA

Certification: ISO9001

Minimum Order Quantity: 1

Price: 3000-657000USD

Packaging Details: PLYWOOD PACKING

Delivery Time: 3-5DAYS

Payment Terms: T/T

Supply Ability: 1000

Alternator Model: Stamford

Fuel Type: Diesel

Controller: Smartgen/Deepsea

Excitation System: Brushless

Speed: 1500rpm/1800rpm

Highlight Features:

Generator Set Diesel Engine

Diesel Power Generator Set

Air Cooled Diesel Generator

Support and Services:

Diesel Engine Generator technical support and services include:

Scheduled maintenance and inspections

Emergency repairs and services

Troubleshooting and diagnostics

Replacement parts and components

Detailed product information

Installation and setup assistance

Technical advice and support

Packing and Shipping:

Diesel Engine Generator Packaging and Shipping:
The diesel engine generator is packaged in a cardboard box, with foam padding to protect it from any type of damage during transit. The box is then sealed with tape and labeled with the product name, model number, and shipping information. Once packed, the generator is loaded onto a pallet and secured with straps. The pallet is then loaded onto the delivery truck for shipment to the customer.

FAQ:

- Q1: What is the brand name of the Diesel Engine Generator?
A1: The brand name of the Diesel Engine Generator is Diesel Engine Generator.
- Q2: What is the model number of the Diesel Engine Generator?
A2: The model number of the Diesel Engine Generator is 30-1000KW.
- Q3: Where is the Diesel Engine Generator made?
A3: The Diesel Engine Generator is made in China.
- Q4: What certification does the Diesel Engine Generator have?
A4: The Diesel Engine Generator has an ISO9001 certification.
- Q5: What is the minimum order quantity for the Diesel Engine Generator?
A5: The minimum order quantity for the Diesel Engine Generator is 1.

Weichai Series Diesel Generators Features

In the last 70 years, more than 3 million diesel engines have won the respect and recognition of customers. Weichai Engine overhaul period for an average of 30000 hours the spin to the pennants lightweight air filter, under the beautiful shape of the screw supercharger, to optimize the design of the piping products meet the road the second stage, the three phase motor load ability, meet the requirements of the load mutation mining low noise, small vibration using enhanced fuel injection pump, increase the oil pressure, high temperature, engine experience plateau alpine baptism - 10 ° no auxiliary measures can be successfully started. Supporting power 15KW-1200KW.
