

## 220V-415V Shanghai Diesel Generators Efficient Power Source Industrial Grade

### Our Product Introduction

#### Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 500-800KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

#### Product Specification

- Place Of Origin: China
- Rated Voltage: 220/ 230/ 127/ 240/ 380/ 400/ 415V
- Warranty: Warranty
- Weight: 2580KG
- Rated Current: According To Detailed
- Noise 7m: 71~72db
- Rated Power: 200kw
- Package Type: Carton/Wooden Case
- Highlight: **415V Shanghai Diesel Generators,**  
**Shanghai Diesel Generators Industrial Grade,**  
**220v diesel generator Industrial Grade**

## Product Description

-Made Trailer Mounted Generator 2580KG Efficient Power Source

### Product Description:

Shanghai Diesel Generators

Shanghai Diesel Generators is a trailer mounted generator, mobile genset trailer, mobile genset trailer. It is designed for industrial and commercial uses. The generator is made of high-quality materials and is designed to last for a long time. It is available in a variety of voltages, such as 220/ 230/ 127/ 240/ 380/ 400/ 415V and frequencies of 50/60 HZ. The generator has a noise level of 71~72db and a speed of 1500/1800RPM. It is manufactured in China and is available for purchase worldwide.

### Features:

Product Name: Shanghai Diesel Generators

Package Type: Carton/Wooden Case

Rated Current: According To Detailed

Weight: 2580KG

Output Type: AC Three Phase

Product Name: 200kw Diesel Generator Set

Features: Mobile Diesel Generator, Silent Electric Generator, Containerized Genset

### Applications:

Shanghai Diesel Generators – Ideal for Industrial and Mobile Power Needs

Shanghai Diesel Generators are an ideal choice for industrial and mobile power needs. The powerful diesel engine generator, with a model number of 500-800KW, is certified by ISO9001 and comes with a minimum order quantity of 1. It is available in a plywood package, with a delivery time of 3-5days. The payment terms are T/T and the supply ability is 1000. This silent electric generator has a frequency of 50/60 HZ and a rated power of 200kw, with dimensions of 3700\*1200\*2050. It comes with a warranty and a competitive price of US\$ 9850-60150.

This industrial diesel generator is designed for reliable and efficient performance, making it perfect for a variety of applications. Whether you need a silent electric generator for a construction site, or a mobile diesel generator for an emergency power supply, Shanghai Diesel Generators offers a safe and dependable solution. With its advanced technology, low noise levels and top quality components, it is the perfect choice for any industrial or mobile power needs.

### Customization:

Shanghai Diesel Generators

Brand Name: Shanghai Diesel Generators

Model Number: 500-800KW

Place of Origin: CHINA

Certification: ISO9001

Minimum Order Quantity: 1

Price: US\$ 9850-60150

Packaging Details: Plywood Package

Delivery Time: 3-5days

Payment Terms: T/T

Supply Ability: 1000

Place of Origin: China

Warranty: Warranty

Speed: 1500/1800RPM

Rated Power: 200kw

Brand: Shanghai

Our Shanghai Diesel Generators are containerized genset, mobile diesel generator, mobile genset trailer, and are certified by ISO9001, with a minimum order quantity of 1, priced at US\$ 9850-60150, delivered in 3-5days, and with a supply ability of 1000. Our generators come with a warranty and speed of 1500/1800RPM, and rated power of 200kw.

### Support and Services:

Shanghai Diesel Generators offers a complete package of technical support and services. Our experienced and

knowledgeable staff are available to provide customers with the best advice on the selection, installation, and operation of our products. We provide comprehensive service and support throughout the life of the product, including:

Product selection assistance

Installation support

Operational training

Maintenance and repair services

Spare parts and accessories

We are committed to providing our customers with the highest level of service and support. Contact us today for more information about our technical support and services.

**Packing and Shipping:**

Shanghai Diesel Generators Packaging and Shipping:

To ensure safe delivery of Shanghai Diesel Generators, we use a range of packaging materials to protect the generators from any damages during transit. We package the generators in strong, durable boxes with extra padding to prevent them from being damaged. The boxes are sealed and labeled for easy identification.

The shipping process is handled by a reliable third-party shipping company. Once the order is placed, the generators are dispatched within the specified time frames. The tracking information is provided to the customer, so they can track the status of their order.

**Product Description**

**1. Main technical parameter for generator set**

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

China Shanghai Group 75kw Silent Diesel Generator Set

**1. Introduction to diesel engine**

**This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service life and good economic performance. The unit is equipped with a full set of no-maintenance battery startup system. The user can start the unit with the injection of oil and anti-freeze liquid and switch on the switch, so as to output power and improve the convenience of use.**

**1. Generator parameter**

The nonlinear load voltage waveform is less distorted

Strong short circuit endurance

The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint

The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment

H grade insulation

The rotor silicon steel plate is mechanically tightened

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.
2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3. 60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:
diesel engine
alternator
water cooled radiator
industrial silencer and flexible exhaust hose
maintenance-free lead-acid starting batteries and battery connect wires
output circuit breaker
digital control panel
steel base frame
