

220V-11000V 1500 Rpm Silent Diesel Generator Compact Size Electric Start

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: Silent Diesel Generator
- Certification: ISO9001
- Model Number: 500-1000KW
- Minimum Order Quantity: 1
- Price: 60000-574000USD
- Packaging Details: PLYWOOD PACKING
- Delivery Time: 7-8DAYS
- Payment Terms: T/T
- Supply Ability: 100

Product Specification

- Operation System: Automatic Control System
- Model: Silent Diesel Generator
- Voltage: 220V-11000V
- Start Mode: Electric Start/Manual Start
- Cooling System: Air/Water Cooled
- Power: 20KW-2000KW
- Weight: Light Weight
- Size: Compact Size
- Highlight: **1500 Rpm Silent Diesel Generator,
11000V Silent Diesel Generator,
Electric Start 1500 Rpm Diesel Generator**

Product Description

220V-11000V Silent Diesel Generator Light Weight 1 Year Or 1000 Running Hours

Product Description:

Silent Diesel Generator is a reliable and cost-effective power supply for industrial and commercial use. It is powered by world-class diesel engine brands such as Cummins, Perkins, Deutz, Volvo, Doosan, etc. The generator is designed to be lightweight and compact, and there are 20KW-2000KW power options to choose from, making it suitable for different power requirements. As a soundproof generator, it operates quietly and efficiently, and it also offers both electric and manual start modes at both 50Hz and 60Hz frequency.

Features:

Product Name: Silent Diesel Generator

Warranty: 1 Year Or 1000 Running Hours

Alternator Brand: Stamford, Leroy Somer, Marathon, Engga, Etc.

Voltage: 220V-11000V

Weight: Light Weight

Fuel Consumption: Low Fuel Consumption

Special Feature: Silent Generator, Soundproof Generator, Soundproof Generator Set

Technical Parameters:

Features	Description
Model	Silent Diesel Generator
Power	20KW-2000KW
Frequency	50Hz/60Hz
Cooling System	Air/Water Cooled
Fuel Consumption	Low Fuel Consumption
Noise Level	Low Noise
Engine Brand	Cummins, Perkins, Deutz, Volvo, Doosan, Etc.
Voltage	220V-11000V
Weight	Light Weight
Operation System	Automatic Control System

Applications:

The **Silent Diesel Generator** is a top-of-the-line power solution for various applications. With a powerful **500-1000KW** engine and **Compact Size**, it is ideal for both indoor and outdoor use. Manufactured with strict **ISO9001** certification, this generator guarantees top performance and durability. It is known for its **Low Noise** level and is equipped with engines from world-class brands such as **Cummins, Perkins, Deutz, Volvo, Doosan, Etc.**

The Silent Diesel Generator is perfect for those times when you need extra power but don't want to disturb the surrounding environment. This generator is perfect for **soundproof generator, diesel engine generator, trailer generator** and **mobile generator** applications. It is available at a **Price** of **60000-574000USD** and comes with a **1 Year Or 1000 Running Hours** warranty. It also has a **Frequency** of **50Hz/60Hz** and is packaged in **PLYWOOD PACKING** for easy delivery.

The Silent Diesel Generator is a reliable power solution that can be used in a variety of applications in both residential and commercial settings. With its **Supply Ability** of **100** and **Delivery Time** of **7-8DAYS**, it is the perfect choice for those who need a dependable power source. It also offers **T/T** as a **Payment Terms**.

Customization:

Customized Silent Diesel Generator

We specialize in the production of **Soundproof Generator, Silent Generator, Generator Set** and other **Generator** products.

Our Silent Diesel Generator has the following features:

Brand Name: Silent Diesel Generator

Model Number: 500-1000KW

Place of Origin: CHINA

Certification: ISO9001

Price: 60000-574000USD
Packaging Details: PLYWOOD PACKING
Delivery Time: 7-8DAYS
Payment Terms: T/T
Supply Ability: 100
Noise Level: Low Noise
Start Mode: Electric Start/Manual Start
Warranty: 1 Year Or 1000 Running Hours
Weight: Light Weight
Voltage: 220V-11000V

We are committed to providing our customers with high quality Silent Diesel Generator products. If you are interested in our Silent Diesel Generator, please contact us and we will do our best to meet your needs.

Support and Services:

Our Silent Diesel Generator comes with technical support and service. Our team of qualified engineers offers the best service, repairs and maintenance. We provide comprehensive support to ensure that your generator is operating at its best. Our technicians can provide on-site troubleshooting and diagnostics for any issues you may encounter. We also offer regular maintenance and servicing to keep your generator running efficiently. Our customer service representatives are available to answer any questions you may have. We are committed to providing the best customer experience possible.

Packing and Shipping:

Packaging and Shipping

Silent Diesel Generator is shipped in a strong cardboard box, with the generator securely packed inside. Special care is taken to ensure that the generator and its components are not damaged during shipment.

The box will be clearly labelled with the product name and a tracking number. It will be shipped via a reliable courier service and should arrive within 5-7 business days.

FAQ:

Q: What is the Brand Name of the Silent Diesel Generator?

A: The Brand Name of the Silent Diesel Generator is Silent Diesel Generator.

Q: What is the Model Number of the Silent Diesel Generator?

A: The Model Number of the Silent Diesel Generator is 500-1000KW.

Q: Where is the Silent Diesel Generator made?

A: The Silent Diesel Generator is made in China.

Q: What certifications does the Silent Diesel Generator have?

A: The Silent Diesel Generator has an ISO9001 Certification.

Q: What is the price range for the Silent Diesel Generator?

A: The price range for the Silent Diesel Generator is 60000-574000USD.

Weichai Series Diesel Generators Features

In the last 70 years, more than 3 million diesel engines have won the respect and recognition of customers. Weichai Engine overhaul period for an average of 30000 hours the spin to the pennants lightweight air filter, under the beautiful shape of the screw supercharger, to optimize the design of the piping products meet the road the second stage, the three phase motor load ability, meet the requirements of the load mutation mining low noise, small vibration using enhanced fuel injection pump, increase the oil pressure, high temperature, engine experience plateau alpine baptism - 10 ° no auxiliary measures can be successfully started. Supporting power 15KW-1200KW.
