

Efficient Automatic Low Noise Diesel Generator 500kw-1000KW For Industrial

Our Product Introduction

more products please visit us on enginedieselgenerator.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Silent Diesel Generator
- Certification: ISO9001
- Model Number: 500-1000KW
- Price: Negotiable
- Packaging Details: PLYWOOD PACKING
- Delivery Time: 7-8DAYS
- Payment Terms: T/T
- Supply Ability: 100

Product Specification

- Size: Compact Size
- Model: Silent Diesel Generator
- Alternator Brand: Stamford, Leroy Somer, Marathon, Engga, Etc.
- Start Mode: Electric Start/Manual Start
- Voltage: 220V-11000V
- Noise Level: Low Noise
- Operation System: Automatic Control System
- Frequency: 50Hz/60Hz
- Highlight: **Low Noise Diesel Generator 500kw,
Efficient 1000KW Diesel Generator,
Automatic Low Noise Diesel Generator**

Product Description

Efficient Automatic Control GENERATOR for Industrial Applications

Product Description:

The **Soundproof Generator** is a reliable, high-performance diesel generator set that comes with a 1 year or 1000 running hours warranty and provides a low noise level. It can be easily started with electric start or manual start operation and is automatically controlled by an advanced control system. The alternator brands that are compatible with this generator set include Stamford, Leroy Somer, Marathon, Engga, etc. This Generator Set is a perfect combination of a Diesel Generator Set, ensuring superior performance and reliability.

Features:

Product Name: Silent Diesel Generator
Warranty: 1 Year Or 1000 Running Hours
Model: Silent Diesel Generator
Operation System: Automatic Control System
Size: Compact Size
Weight: Light Weight
Feature: Silent Generator, Soundproof Generator

Technical Parameters:

Parameter	Value
Cooling System	Air/Water Cooled
Start Mode	Electric Start/Manual Start
Model	Silent Diesel Generator
Voltage	220V-11000V
Alternator Brand	Stamford, Leroy Somer, Marathon, Engga, Etc.
Engine Brand	Cummins, Perkins, Deutz, Volvo, Doosan, Etc.
Weight	Light Weight
Power	20KW-2000KW
Frequency	50Hz/60Hz
Fuel Consumption	Low Fuel Consumption
Soundproof Generator	Yes
Electric Generator	Yes
Generator Set	Yes

Applications:

Silent Diesel Generator

The **Silent Diesel Generator** is a reliable and cost-effective electric generator solution. It is equipped with a high-power engine and is perfect for a range of applications, including commercial, residential, and industrial. Featuring **low fuel consumption**, this generator is highly efficient and offers a **light weight** design that is easy to transport and install. It is also **soundproof**, so you can get the power you need without the noise. Its **air/water cooled** system ensures it runs smoothly and efficiently and the **50Hz/60Hz** frequency ensures reliable power supply. It is available in a range of models, from 500-1000KW, and is certified **ISO9001** for quality assurance. It comes with a **plywood packing** for easy transport and delivery and is available with a **T/T** payment option. With a **7-8 days** delivery time and a **60000-574000USD** price range, this **diesel generator** is a great choice for anyone looking for an efficient and reliable electric generator.

Customization:

Silent Diesel Generator
Brand Name: Silent Diesel Generator
Model Number: 500-1000KW
Place of Origin: CHINA
Certification: ISO9001
Price: 60000-574000USD
Packaging Details: PLYWOOD PACKING

Delivery Time: 7-8DAYS

Support and Services:

Silent Diesel Generator offers comprehensive technical support and service. Our team of knowledgeable technicians and engineers are available 24/7 to answer any questions you may have. We provide on-site support and repair services, as well as remote support, troubleshooting, and maintenance. We also provide technical documentation and training materials to help you get the most out of your Silent Diesel Generator.

Packing and Shipping:

Packaging and Shipping
Silent Diesel Generator is packaged with bubble wrap and cardboard boxes to ensure safe delivery. The product is shipped using a reputable freight forwarder. Tracking information will be provided to the customer once the product is shipped.

FAQ:

- Q1: What is the Brand Name of your Silent Diesel Generator?
A1: The Brand Name of our Silent Diesel Generator is Silent Diesel Generator.
Q2: What is the Model Number of your Silent Diesel Generator?
A2: The Model Number of our Silent Diesel Generator is 500-1000KW.
Q3: Where is your Silent Diesel Generator manufactured?
A3: Our Silent Diesel Generator is manufactured in China.
Q4: Does your Silent Diesel Generator have ISO9001 Certification?
A4: Yes, our Silent Diesel Generator has ISO9001 Certification.
Q5: What is the price range of your Silent Diesel Generator?
A5: The price range of our Silent Diesel Generator is 60000-574000USD.

Weichai Series Diesel Generators Features

In the last 70 years, more than 3 million diesel engines have won the respect and recognition of customers. Weichai Engine overhaul period for an average of 30000 hours the spin to the pennants lightweight air filter, under the beautiful shape of the screw supercharger, to optimize the design of the piping products meet the road the second stage, the three phase motor load ability, meet the requirements of the load mutation mining low noise, small vibration using enhanced fuel injection pump, increase the oil pressure, high temperature, engine experience plateau alpine baptism - 10 ° no auxiliary measures can be successfully started. Supporting power 15KW-1200KW.
