

Safety Low Noise 415v Diesel Generator 200kw Diesel Generator

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 500-800KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Speed: 1500/1800RPM
- Size: 3700*1200*2050
- Rated Power: 200kw
- Warranty: Warranty
- Noise 7m: 71~72db
- Brand: Shanghai
- Product Name: 200kw Diesel Generator Set
- Place Of Origin: China
- Highlight: **Low Noise 415v Diesel Generator,
Low Noise 200kw Diesel Generator,
safety 415v Diesel Generator**

Product Description

Efficient Mobile Genset Trailer - Rated Voltage 415V Package Type Wooden Case

Product Description:

Shanghai Diesel Generators are the perfect option for those who need reliable and powerful mobile diesel generators. Our containerized genset is designed to provide superior performance and reliability, even in the toughest of environments. Its robust design, compact structure and built-in features such as low noise and vibration operation, make it ideal for any application. With a frequency of 50/60 Hz, a weight of 2580KG and a warranty, Shanghai Diesel Generators are the perfect choice for those who need a silent electric generator. Packaged in a durable carton or wooden case, our generators offer a reliable and convenient solution to your power needs.

Features:

Product Name: Shanghai Diesel Generators
Size: 3700*1200*2050
Place of Origin: China
Warranty: Warranty
Brand: Shanghai
Frequency: 50/60 HZ
Silent Electric Generator
Containerized Genset
Mobile Genset Trailer

Applications:

Shanghai Diesel Generators are highly reliable and efficient, and the brand name is known for its superior quality. The model number is 500-800KW, and it is certified by ISO9001. The minimum order quantity is 1, and the price range is US\$ 9850-60150. It comes with a plywood package, and the delivery time is 3-5days. The payment terms are T/T, and the supply ability is 1000. The weight of the generator is 2580KG, and the frequency is 50/60 HZ. The speed is 1500/1800RPM, and the package type is carton/wooden case. The rated power is 200kw. Shanghai Diesel Generators are ideal for many applications, such as containerized genset, silent electric generator, and containerized genset. They are designed to be robust and reliable, perfect for residential, commercial, and industrial uses. They are also great for emergency power backup, as they can provide reliable and efficient electricity even in the event of a power outage. The generator is easy to install and maintain, and the fuel efficiency makes it an ideal choice for long-term use.

Customization:

Shanghai Diesel Generators is a brand name of 200kw Diesel Generator Set with model number 500-800KW. It is certified with ISO9001 and made in China. The minimum order quantity is 1 and the price range is from US\$ 9850-60150. It is packed in Plywood Package and delivered within 3-5days. Payment terms are T/T and the supply ability is 1000. The brand is Shanghai and it comes with a warranty. The size of it is 3700*1200*2050. It can also be used as trailer mounted generator, mobile genset trailer, and trailer mounted generator set.

Support and Services:

Shanghai Diesel Generators Technical Support and Service

We provide technical support and service for Shanghai Diesel Generators to ensure that the products are functioning properly at all times. Our team of engineers are available 24/7 to provide technical assistance and answer any questions you may have about our products. We provide detailed documentation and user guides to help you understand the complexities of the product and make sure you can get the most out of your purchase.

We can provide maintenance and repair services for Shanghai Diesel Generators as needed. We also provide spare parts and accessories for our products, as well as upgrades and customization services to meet your specific needs.

If you have any questions or concerns about Shanghai Diesel Generators, please contact us and we will be happy to help.

Packing and Shipping:

Shanghai Diesel Generators packaging and shipping:

We use custom-designed cartons to ensure that the generators are packaged securely and arrive safely at their destination. We also use bubble wrap and packing peanuts to provide extra protection. We use a variety of shipping carriers, including UPS, FedEx and DHL, to deliver our generators to their destination in a safe and timely manner.
