

## Electric Start Silent Running Diesel Generators 50Hz/60Hz 500-1000KW

### Basic Information

- Place of Origin: CHINA
- Brand Name: Silent Diesel Generator
- Certification: ISO9001
- Model Number: 500-1000KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: PLYWOOD PACKING
- Delivery Time: 7-8DAYS
- Payment Terms: T/T
- Supply Ability: 100

### Product Specification

- Power: 20KW-2000KW
- Fuel Consumption: Low Fuel Consumption
- Size: Compact Size
- Warranty: 1 Year Or 1000 Running Hours
- Noise Level: Low Noise
- Alternator Brand: Stamford, Leroy Somer, Marathon, Engga, Etc.
- Model: Silent Diesel Generator
- Voltage: 220V-11000V
- Highlight: **Silent Running Diesel Generators 50Hz,**  
**Silent Running Diesel Generators 1000KW**

## Product Description

Electric Start Generator Set On Sale - 1 Year Or 1000 Running Hours

### Product Description:

The Silent Diesel Generator is a powerful and reliable electric generator that is ideal for both residential and commercial use. It is powered by a variety of engine brands, including Cummins, Perkins, Deutz, Volvo, Doosan, etc., with low fuel consumption and great performance. The generator is air/water cooled and features an automatic control system for easy operation. Its silent operation makes it suitable for both indoor and outdoor use. The Silent Diesel Generator is a great choice for a reliable and efficient GENERATOR SET.

### Features:

Product Name: Silent Diesel Generator  
Warranty: 1 Year Or 1000 Running Hours  
Voltage: 220V-11000V  
Fuel Consumption: Low Fuel Consumption  
Noise Level: Low Noise  
Frequency: 50Hz/60Hz  
Electric Generator  
GENERATOR  
Generator Set

### Technical Parameters:

Generator Set	Diesel Engine Generator
Weight: Light Weight	Voltage: 220V-11000V
Alternator Brand: Stamford, Leroy Somer, Marathon, Engga, Etc.	Fuel Consumption: Low Fuel Consumption
Frequency: 50Hz/60Hz	Power: 20KW-2000KW
Size: Compact Size	Warranty: 1 Year Or 1000 Running Hours
Start Mode: Electric Start/Manual Start	Noise Level: Low Noise
Trailer Generator	Container Generator
Weight: Light Weight	Voltage: 220V-11000V
Alternator Brand: Stamford, Leroy Somer, Marathon, Engga, Etc.	Fuel Consumption: Low Fuel Consumption
Frequency: 50Hz/60Hz	Power: 20KW-2000KW
Size: Compact Size	Warranty: 1 Year Or 1000 Running Hours
Start Mode: Electric Start/Manual Start	Noise Level: Low Noise

### Applications:

A Silent Diesel Generator, with brand name Silent Diesel Generator, model number 500-1000KW, is an ideal choice for outdoor, commercial and industrial applications. It has a compact size, a low fuel consumption and a light weight, making it easy to install and operate. It is certified with ISO9001 and its price range is 60000-574000USD. It comes with a plywood packing and the delivery time is 7-8days. Payment terms are T/T. The supply ability is 100. It is powered by 20KW-2000KW and the alternator brands are Stamford, Leroy Somer, Marathon, Engga, etc. It is a soundproof generator set and it provides superior quality and durability. Silent Diesel Generator is a reliable and cost-efficient choice for the construction sites, outdoor events, factories, hotels and commercial centers. It offers silent operation and low fuel consumption. It is also an ideal choice for emergency power supply due to its quick start-up performance and portability. It is also suitable for agriculture and farming, providing long-term and reliable power supply. The generator is a perfect choice for both indoor and outdoor applications. It is also suitable for the power-sensitive applications such as hospitals, banks and data centers.

### Customization:

Silent Diesel Generator is a top-of-the-line soundproof generator. It features a 500-1000KW model number, comes with an ISO 9001 certification, and is made in China. The price range for this generator is 60000-574000USD, and it will be packed in plywood packing and delivered in 7-8 days. Payment terms are T/T, and there is an inventory of 100 units. This Silent Diesel Generator has a compact size, an automatic control system, a voltage range of 220V-11000V, and a cooling system of air/water cooled. For anyone looking for a soundproof generator, this Silent Diesel Generator will be a great choice.

**Support and Services:**

We provide technical support and service for Silent Diesel Generator.  
We have a dedicated team of experts who can provide technical solutions and troubleshooting services for Silent Diesel Generator. Our services include:  
Installation and commissioning  
Maintenance and repair  
Spare parts supply  
Technical training  
Consultation and advice  
If you have any questions or need assistance with your Silent Diesel Generator, please do not hesitate to contact us.

**Packing and Shipping:**

**Packaging and Shipping**

Silent Diesel Generator is packed and shipped in a special way to ensure its safe and secure delivery. It is packed in a corrugated box with a layer of foam and is placed in a wooden crate. The box is then sealed with a special tape to keep it safe from any external damage. The box is then labeled with a special shipping label that includes the product name, address, and contact information.  
The generator is shipped by a reliable shipping service that provides tracking and delivery confirmation. The shipment is insured to cover any damage or loss during transit. The customer is kept informed of the progress of the shipment through regular updates.

**FAQ:**

Q: What is the Brand Name of Silent Diesel Generator?  
A: The Brand Name is Silent Diesel Generator.  
Q: What is the Model Number of this Generator?  
A: The Model Number is 500-1000KW.  
Q: Where is this Generator made?  
A: This Generator is made in China.  
Q: Does this Generator have ISO9001 certification?  
A: Yes, this Generator has ISO9001 certification.  
Q: How much does this Generator cost?  
A: This Generator costs between 60000USD and 574000USD.  
Q: What kind of packaging is used for this Generator?  
A: This Generator is packed in plywood packing.  
Q: How long is the delivery time?  
A: The delivery time is 7-8 days.  
Q: What kind of payment terms are accepted?  
A: We accept T/T payment terms.  
Q: What is the supply capacity?  
A: The supply capacity is 100.

**Weichai Series Diesel Generators Features**

In the last 70 years, more than 3 million diesel engines have won the respect and recognition of customers. Weichai Engine overhaul period for an average of 30000 hours the spin to the pennants lightweight air filter, under the beautiful shape of the screw supercharger, to optimize the design of the piping products meet the road the second stage, the three phase motor load ability, meet the requirements of the load mutation mining low noise, small vibration using enhanced fuel injection pump, increase the oil pressure, high temperature, engine experience plateau alpine baptism - 10 ° no auxiliary measures can be successfully started. Supporting power 15KW-1200KW.
