

Shanghai SC9D310D2 Engine 250kva Diesel Generator Set 240/380/400/415V

Our Product Introduction

more products please visit us on enginedieselgenerator.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 500-800KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Product Name: 200kw Diesel Generator Set
- Brand: Shanghai
- Package Type: Carton/Wooden Case
- Weight: 2580KG
- Place Of Origin: China
- Speed: 1500/1800RPM
- Rated Power: 200kw
- Noise 7m: 71~72db
- Highlight: **SC9D310D2 Engine Diesel Generator Set,
Shanghai Engine 250kva Diesel Generator**

Product Description

Durable Shanghai Diesel Generators - Rated Voltage 220/ 230/ 127/ 240/ 380/ 400/ 415V

Product Description:

Shanghai Diesel Generators are a reliable mobile diesel generator solution for any application. Our mobile diesel generators are containerized genset, designed for easy setup and transportation. With a total weight of 2580KG and size of 3700*1200*2050, our 200kw Diesel Generator Set is able to be deployed quickly to any location. The rated current of the generator is according to detailed. Our mobile diesel generators come with a warranty for added peace of mind.

Features:

Product Name: Shanghai Diesel Generators
Brand: Shanghai
Output Type: AC Three Phase
Warranty: Warranty
Weight: 2580KG
Speed: 1500/1800RPM
Trailer Mounted Generator
Containerized Genset
Trailer Mounted Generator

Applications:

For those who are looking for reliable mobile genset trailer, Shanghai Diesel Generators is the perfect choice. Our model 500-800KW with a rated power of 200kw carries a warranty of 3-5days and is certified by ISO9001. Its Plywood Package allows for easy transportability and quick delivery. With a minimum order quantity of 1 and a competitive price of US\$ 9850-60150, this silent electric generator is ideal for industrial power generator.

This mobile diesel generator has a size of 3700*1200*2050 and a rated current according to detail. Its cutting-edge technology and efficient design makes it the perfect choice for those who are looking for a reliable power source. With a supply ability of 1000, Shanghai Diesel Generators is the go-to choice for those who are looking for a reliable and long-lasting generator.

Customization:

Shanghai Diesel Generators
Brand Name: Shanghai Diesel Generators
Model Number: 500-800KW
Place of Origin: CHINA
Certification: ISO9001
Minimum Order Quantity: 1
Price: US\$ 9850-60150
Packaging Details: Plywood Package
Delivery Time: 3-5days
Payment Terms: T/T
Supply Ability: 1000
Rated Power: 200kw
Weight: 2580KG
Noise 7m: 71~72db
Output Type: AC Three Phase
Place of Origin: China
Special Features: mobile diesel generator, containerized genset, containerized genset

Support and Services:

Shanghai Diesel Generators Technical Support and Service

At Shanghai Diesel Generators, we are proud to provide superior technical support and service. Our team of experienced technicians is available to assist you with any inquiries you may have. We offer comprehensive maintenance and repair services, as well as emergency services for urgent issues. In addition, we provide a wide range of spare parts for our generators, so that you can keep your generator running smoothly. If you have any questions or concerns, please do not hesitate to contact us.

Packing and Shipping:

The Shanghai Diesel Generators will be securely packaged and shipped to the customer's destination with a reliable courier service. We use padded and waterproof materials to protect the product during transit. The shipment will include all components and accessories, as well as detailed instructions for easy installation. All products are thoroughly inspected and tested before shipping to ensure they are of the highest quality.

1. Main technical parameter for generator set

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

1. Introduction to diesel engine

This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service life and good economic performance. The unit is equipped with a full set of no-maintenance battery startup system. The user can start the unit with the injection of oil and anti-freeze liquid and switch on the switch, so as to output power and improve the convenience of use.

The nonlinear load voltage waveform is less distorted

The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint

The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment

H grade insulation

The rotor silicon steel plate is mechanically tightened

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.

2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3.60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:
diesel engine
alternator
water cooled radiator
industrial silencer and flexible exhaust hose
maintenance-free lead-acid starting batteries and battery connect wires
output circuit breaker
digital control panel
steel base frame
