

Stable 800 Kw Diesel Generator 1000kva Genset Customizable Settings

Our Product Introduction

more products please visit us on enginedieselgenerator.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 500-800KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Rated Current: According To Detailed
- Weight: 2580KG
- Package Type: Carton/Wooden Case
- Frequency: 50/60 HZ
- Speed: 1500/1800RPM
- Brand: Shanghai
- Noise 7m: 71~72db
- Warranty: Warranty
- Highlight: Customizable 800 Kw Diesel Generator,
Stable 800 Kw Diesel Generator,
Stable 1000kva Genset

Product Description

2580KG Mobile Diesel Generator with Customizable Settings and Stable Performance

Product Description:

Shanghai Diesel Generators are designed with mobile diesel generator technology to provide silent electric generator solutions for a variety of applications. The generators are manufactured in China and have a weight of 2580KG. They are available with either 1500 or 1800 RPM speeds and can be customized to the customer's needs with regard to rated current. Shanghai Diesel Generators are known for their quality, reliability, and affordability, making them the perfect choice for any silent electric generator solution.

Features:

Product Name: Shanghai Diesel Generators
Output Type: AC Three Phase
Frequency: 50/60 HZ
Place of Origin: China
Rated Power: 200kw
Weight: 2580KG
Mobile Genset Trailer
Containerized Genset
Mobile Genset Trailer

Applications:

Shanghai Diesel Generators are highly efficient, durable, reliable and cost-effective, making them the perfect choice for all your power generation needs. They are an ideal choice for a variety of applications, including containerized gensets, trailer mounted generators, mobile diesel generators, and standby generators. Shanghai Diesel Generators are available in models ranging from 500-800KW, with a frequency of 50/60HZ and a rated power of 200KW. With a minimum order quantity of just one unit, and prices ranging from US\$9850-60150, these generators are sure to meet all your requirements. Constructed with the highest quality components, each Shanghai Diesel Generator is ISO9001 certified and comes with a plywood package for secure transport. With a fast delivery time of just 3-5 days, and secure payment terms such as T/T, these generators are the perfect choice for any power generation needs. Shanghai Diesel Generators have a supply ability of 1000 units, making them the perfect choice for all your power needs.

Customization:

Shanghai Diesel Generators
Brand Name: Shanghai Diesel Generators
Model Number: 500-800KW
Place of Origin: CHINA
Certification: ISO9001
Minimum Order Quantity: 1
Price: US\$ 9850-60150
Packaging Details: Plywood Package
Delivery Time: 3-5days
Payment Terms: T/T
Supply Ability: 1000
Product Name : 200kw Diesel Generator Set
Noise 7m : 71~72db
Rated Power: 200kw
Warranty: Warranty
Frequency: 50/60 HZ
We specialize in mobile genset trailer, containerized genset, trailer mounted generator.

Support and Services:

Shanghai Diesel Generators offers a wide range of technical support and services for our customers. Our team of experienced technicians provide on-site service and support when needed, as well as remote support and advice. We also offer a full range of maintenance services to keep your generator running at full capacity, including regular inspections, scheduled maintenance, repairs and troubleshooting. Our technical support team can also provide spare parts and components when required. We have a wide selection of parts and components available to ensure that you can get the parts you need quickly and efficiently. We also offer online support and resources to help you troubleshoot and maintain your generator. Our online support center has a wealth of information and resources to help you get the most out of your generator.

Packing and Shipping:

Shanghai Diesel Generators Packaging and Shipping:

The generators are packaged with shock-proof and anti-corrosion materials for long-distance transport. The package will also include necessary accessories and detailed instructions for installation. We offer both air freight and sea freight shipping options, depending on the customer's requirements.

Product Description

1. Main technical parameter for generator set

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

China Shanghai Group 75kw Silent Diesel Generator Set

1. Introduction to diesel engine

This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service life and good economic performance. The unit is equipped with a full set of no-maintenance battery startup system. The user can start the unit with the injection of oil and anti-freeze liquid and switch on the switch, so as to output power and improve the convenience of use.

1. Generator parameter

The nonlinear load voltage waveform is less distorted

Strong short circuit endurance

The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint

The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment

H grade insulation

The rotor silicon steel plate is mechanically tightened

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.
2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3.60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:

diesel engine

alternator

water cooled radiator

industrial silencer and flexible exhaust hose

maintenance-free lead-acid starting batteries and battery connect wires

output circuit breaker

digital control panel

steel base frame
