

Shanghai Diesel Three Phase Generator High Power Diesel Generator 500-800KW

Our Product Introduction

more products please visit us on enginedieselgenerator.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 500-800KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Rated Power: 200kw
- Size: 3700*1200*2050
- Warranty: Warranty
- Rated Current: According To Detailed
- Package Type: Carton/Wooden Case
- Noise 7m: 71~72db
- Place Of Origin: China
- Rated Voltage: 220/ 230/ 127/ 240/ 380/ 400/ 415V
- Highlight: **Shanghai Diesel Three Phase Generator, High Power Diesel Generator 800KW, Diesel Three Phase Generator 800KW**

Product Description

220/ 230/ 127/ 240/ 380/ 400/ 415V Shanghai Diesel Generators AC Three Phase

Product Description:

Shanghai Diesel Generators are the perfect choice for mobile genset trailer, silent electric generator and containerized genset applications. As a reliable generator manufacturer, our diesel generators are built to the highest quality standards. They feature a noise level of 71~72db at 7m, a speed of 1500/1800RPM, a 200kw rated power and a warranty for added peace-of-mind. Our diesel generators are designed to be reliable and durable, providing the best performance and power for your operation needs. With our diesel generators, you can be sure to get the most reliable and efficient power solution for your business.

Features:

Product Name: Shanghai Diesel Generators
Output Type: AC Three Phase
Rated Power: 200kw
Speed: 1500/1800RPM
Warranty: Warranty
Rated Current: According To Detailed
Mobile Genset Trailer
Silent Electric Generator
Containerized Genset

Applications:

Shanghai Diesel Generators are the perfect choice when it comes to reliable, cost-effective power solutions. From containerized gensets to mobile diesel generators, Shanghai Diesel Generators offers a wide range of models from 500-800KW that can meet the unique requirements of your application. Our mobile genset trailer can be quickly deployed in any location, allowing you to provide the power you need, when you need it. All of our generators are ISO9001 certified and come with a warranty, ensuring the highest levels of quality. Our minimum order quantity is one, and delivery time is 3-5days. Prices range from US\$ 9850-60150, and they come in a plywood package for easy transport. Our 200kw Diesel Generator Set has a rated power of 200kw and a frequency of 50/60HZ. We have a supply ability of 1000 and accept payment via T/T.

Customization:

Shanghai Diesel Generators Customized Service

We provide customized service for Shanghai Diesel Generators, which are specially designed to meet your specific needs. Our generators are Brand Name Shanghai Diesel Generators, Model Number 500-800KW, and are produced in China with ISO9001 certification. The minimum order quantity is 1 and the price ranges from US\$ 9850-60150. The packaging is Plywood Package and the delivery time is 3-5days. Payment Terms is T/T and the Supply Ability is 1000. Frequency is 50/60 HZ, Rated Voltage is 220/ 230/ 127/ 240/ 380/ 400/ 415V, Rated Current is According To Detailed, Product Name is 200kw Diesel Generator Set. We also provide a warranty on our products.

We specialize in trailer mounted generator, containerized genset, containerized genset, and diesel generator set. Our Shanghai Diesel Generators can meet your specific needs and provide you with a reliable power source. Contact us for more information and to get your very own customized Shanghai Diesel Generators.

Support and Services:

Shanghai Diesel Generators offers technical support and service for its products. Our technical services include:

Troubleshooting and technical advice
On-site maintenance and repair
Emergency repairs
Equipment installation and configuration
Full product warranty service
Regular maintenance checks

We also provide customer support and training to ensure the best possible use of our products. Our team of experienced technicians is always available to answer any questions and provide advice on product use and maintenance.

Packing and Shipping:

Packaging and Shipping

Shanghai Diesel Generators are securely packaged in plywood crates to protect the generator from damage during transit. The packaging consists of a plywood crate, which is sealed and strapped to prevent any movement of the generator during shipping. The generator is then placed inside the crate and securely fastened with straps.

The generator is then shipped to its destination via truck or container. All generators are shipped with tracking information to ensure safe delivery. We take great care to ensure that our generators are delivered safely and securely.

Product Description

1. Main technical parameter for generator set

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

China Shanghai Group 75kw Silent Diesel Generator Set

1. Introduction to diesel engine

This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service life and good economic performance. The unit is equipped with a full set of no-maintenance battery startup system. The user can start the unit with the injection of oil and anti-freeze liquid and switch on the switch, so as to output power and improve the convenience of use.

1. Generator parameter

The nonlinear load voltage waveform is less distorted
Strong short circuit endurance
The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint
The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment
H grade insulation
The rotor silicon steel plate is mechanically tightened

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.

2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3. 60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:
diesel engine
alternator
water cooled radiator
industrial silencer and flexible exhaust hose
maintenance-free lead-acid starting batteries and battery connect wires
output circuit breaker
digital control panel
steel base frame
