

Backup Diesel Generator Commercial Diesel Generator 200kw Open Frame

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 500-800KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

Product Specification

- Product Name: 200kw Diesel Generator Set
- Place Of Origin: China
- Weight: 2580KG
- Output Type: AC Three Phase
- Brand: Shanghai
- Warranty: Warranty
- Noise 7m: 71~72db
- Rated Power: 200kw
- Highlight: **200kw Backup Diesel Generator Commercial, Open Frame 200 kw commercial generator**

Product Description

AC Three Phase Output Type 200kw Diesel Generator Set with Silent Electric Generator

Product Description:

Shanghai Diesel Generators are specially designed for silent electric generator and mobile diesel generator. These generators are packaged in a carton/wooden case and have a weight of 2580KG. With a rated voltage of 220/ 230/ 127/ 240/ 380/ 400/ 415V and a rated current according to detail, it is a reliable and powerful AC Three Phase generator.

With a low noise operation, Shanghai Diesel Generators are the perfect choice for those who need to run electric equipment in a quiet environment. Its robust design and construction ensures a long service life and excellent performance. The generator is also easy to install and maintain, making it ideal for a range of different applications.

In addition, Shanghai Diesel Generators are designed with safety in mind. It has a range of features to prevent overload and ensure safe operation. It also has a built-in alarm system to alert users if there are any problems with the generator.

Whether you need to power a construction site or an outdoor event, Shanghai Diesel Generators are the perfect solution. With its reliable performance and safety features, you can be sure that your generator will provide you with the power you need.

Features:

Product Name: Shanghai Diesel Generators

Size: 3700*1200*2050

Rated Current: According To Detailed

Product Name: 200kw Diesel Generator Set

Frequency: 50/60 HZ

Speed: 1500/1800RPM

Mobile diesel generator

Mobile genset trailer

Mobile diesel generator station

Applications:

Shanghai Diesel Generators are designed to meet the highest standards of quality and technology. These mobile genset trailer, mobile diesel generator, containerized genset, silent generator and containerized silent generator are made for providing reliable power with exceptional performance. Featuring model number 500-800KW, these generators are built to last and perform in demanding environments. The generator is certified with ISO9001, and the minimum order quantity is 1. The price range is US\$9850-60150, with delivery time of 3-5 days. Payment terms are T/T and supply ability is 1000. The frequency is 50/60 HZ and it comes with a warranty. The size is 3700*1200*2050 and the rated voltage is 220/ 230/ 127/ 240/ 380/ 400/ 415V. The package type is carton/wooden case.

Customization:

Shanghai Diesel Generators Customization Service

We provide customization services for Shanghai Diesel Generators. Our mobile diesel generator, trailer mounted generator, trailer mounted generator are all ISO9001 certified. Our model number range from 500-800KW with a minimum order quantity of 1. Prices range from US\$ 9850-60150, with Plywood Package for packaging and 3-5days for delivery time. Payment terms are T/T and our supply ability is 1000. Our product size is 3700*1200*2050 and speed is 1500/1800RPM.

For more information about Shanghai Diesel Generators and customization services, please contact us.

Support and Services:

Shanghai Diesel Generators offer a wide range of technical support and services to ensure the best performance of our products.

Our technical support staff is available to provide support via phone, email, and online chat. We offer a variety of services including troubleshooting, installation, commissioning, and repair. We also provide technical training and educational resources to ensure our customers are able to properly operate and maintain their equipment.

We are committed to providing the best customer service possible. If you ever have any questions or concerns, please don't hesitate to contact us.

Packing and Shipping:

Packaging and Shipping of Shanghai Diesel Generators

Shanghai Diesel Generators are securely packaged and shipped with the utmost care and attention to ensure the safe and efficient delivery of your product. The generators are packaged in cardboard boxes with bubble wrap for extra protection. The boxes are then sealed with tape and labeled with the product name and delivery address. Once packaged, the generators are shipped via a reliable shipping company and tracked until they arrive at your door.

Product Description

1. Main technical parameter for generator set

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

China Shanghai Group 75kw Silent Diesel Generator Set

1. Introduction to diesel engine

This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service life and good economic performance. The unit is equipped with a full set of no-maintenance battery startup system. The user can start the unit with the injection of oil and anti-freeze liquid and switch on the switch, so as to output power and improve the convenience of use.

1. Generator parameter

The nonlinear load voltage waveform is less distorted

Strong short circuit endurance

The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint

The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment

H grade insulation

The rotor silicon steel plate is mechanically tightened

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.
2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3.60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:
diesel engine
alternator
water cooled radiator
industrial silencer and flexible exhaust hose
maintenance-free lead-acid starting batteries and battery connect wires
output circuit breaker
digital control panel
steel base frame
