

## Shanghai Engine 3 Phase Commercial Diesel Generator 500-800KW

Our Product Introduction

more products please visit us on [enginedieselgenerator.com](http://enginedieselgenerator.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: Shanghai Diesel Generators
- Certification: ISO9001
- Model Number: 500-800KW
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Package
- Delivery Time: 3-5days
- Payment Terms: T/T
- Supply Ability: 1000

### Product Specification

- Place Of Origin: China
- Output Type: AC Three Phase
- Weight: 2580KG
- Rated Current: According To Detailed
- Size: 3700\*1200\*2050
- Warranty: Warranty
- Noise 7m: 71~72db
- Frequency: 50/60 HZ
- Highlight: Shanghai Engine Commercial Diesel Generator, Commercial Diesel Generator 800KW, Shanghai Engine 3 phase commercial generator

## Product Description

### Shanghai Diesel Generators - Reliable Power Supply with Rated Current As per Specs

#### Product Description:

Shanghai Diesel Generators provide reliable and efficient power solutions for various applications in industries. Our mobile genset trailers, containerized genset, and mobile genset trailers are designed for maximum efficiency and minimum noise level. The noise level of these generators ranges from 71-72db and their rated current varies according to the detail. With a rated voltage of 220/ 230/ 127/ 240/ 380/ 400/ 415V, these diesel generators can offer enough power for any application. Furthermore, they have a size of 3700\*1200\*2050mm and its speed is of 1500/1800RPM, making them ideal for different kinds of applications.

Shanghai Diesel Generators are designed to be reliable and efficient, offering a great power solution to different industries. Their compact size and low noise level make them ideal for any application, while their rated current and voltage offer enough power for any industrial requirement. With a size of 3700\*1200\*2050mm and a speed of 1500/1800RPM, these diesel generators are perfect for different applications.

#### Features:

Product Name: Shanghai Diesel Generators

Place of Origin: China

Output Type: AC Three Phase

Size: 3700\*1200\*2050

Product Name: 200kw Diesel Generator Set

Warranty: Warranty

Special Feature: Mobile Genset Trailer

Special Feature: Containerized Genset

Special Feature: Silent Electric Generator

#### Applications:

Shanghai Diesel Generators

Shanghai Diesel Generators are a reliable, high-performance silent electric generator that provides prime power and standby generator power for a variety of applications. The 500-800KW model comes with a wide range of features including containerized genset, trailer mounted generator, rated voltage of 220/ 230/ 127/ 240/ 380/ 400/ 415V, rated current according to details, noise 7m of 71~72db, size of 3700\*1200\*2050, plywood package, delivery within 3-5days, 1 minimum order quantity, US\$9850-60150 price, T/T payment terms, 1000 supply ability, and warranty.

#### Customization:

Shanghai Diesel Generators is a brand name that provides trailer mounted generator, containerized genset and mobile genset trailer with model numbers 500-800KW. It is certified with ISO9001 and is available in minimum quantity of 1. The price range for this product is US\$9850-60150. It is packed in plywood package and is delivered within 3-5days after payment through T/T. The supply ability for this product is 1000 and its size is 3700\*1200\*2050. Rated current is according to detailed and package type is carton/wooden case.

#### Support and Services:

Shanghai Diesel Generators offers technical support and services to ensure that your generators are running efficiently and reliably. Our technical support team is available 24/7 to answer any questions or concerns you may have about your generator. We provide on-site service and repair, as well as remote technical assistance for any issues that may arise. We also offer a range of spare parts and accessories to keep your generator running smoothly. Additionally, we offer ongoing maintenance and service contracts to ensure your generator is always running at peak performance.

#### Packing and Shipping:

Shanghai Diesel Generators Packaging and Shipping:

The Shanghai Diesel Generators will be packaged in a sturdy cardboard box to ensure the products do not suffer any damage during shipping. The box will be labelled with all the necessary information such as weight, dimensions, and the destination. All packages will be securely fastened to prevent any movement during shipping.

The Shanghai Diesel Generators will be shipped via reliable carriers such as DHL, UPS, and FedEx. All packages will be tracked to ensure they arrive at their destination safely and on time.

#### Product Description

1. Main technical parameter for generator set

brand	Green power
manufacturer	made in china
The unit type	FM75GF
power of the assembling unit	75KW/84kva
power factor	0.8
starting mode	electrical starting
output voltage	400/230V
current output	135A
mode of connection	three-phase four-wire
rated frequency	50HZ

China Shanghai Group 75kw Silent Diesel Generator Set

#### 1. Introduction to diesel engine

**This series of generator sets are made by Shanghai diesel engine co., LTD., which produces series H series, D series, E series, G series and W series power station diesel engines as power, and equipped with famous brand generator. The unit has the characteristics of high pressure regulating precision, good dynamic performance, low voltage waveform distortion, high efficiency, reliable work, long service life and good economic performance. The unit is equipped with a full set of no-maintenance battery startup system. The user can start the unit with the injection of oil and anti-freeze liquid and switch on the switch, so as to output power and improve the convenience of use.**

#### 1. Generator parameter

The nonlinear load voltage waveform is less distorted

Strong short circuit endurance

The stator winding is impregnated by vacuum pressure and covered with dampproof epoxy insulating paint

The rotor and exciter are treated with high temperature resistant insulating resin paint, which is more suitable for use in bad environment

H grade insulation

The rotor silicon steel plate is mechanically tightened

1. The above technical parameters have a speed of 1500RPM, a frequency of 50HZ, a rated voltage of 400/230v, a power factor of 0.8, and a three-phase four-wire connection.

2. According to customers' demand, the generator can choose famous brands such as Shanghai Stanford, Shanghai marathon, wuxi Stanford, etc.

3.60HZ generator sets can be customized according to the special needs of customers.

China Shanghai Group 75kw Silent Diesel Generator Set

Standard equipment:
diesel engine
alternator
water cooled radiator
industrial silencer and flexible exhaust hose
maintenance-free lead-acid starting batteries and battery connect wires
output circuit breaker
digital control panel
steel base frame
